

## JFK OR INFOLKS

(AN EDITORIAL)

Nepotism is an ugly word. Webster says it is bestowal of patronage by reason of relationship. In some areas of government it is forbidden by law.

Nepotism is being practiced by the present American President in a manner which most certainly will bring shame if not downright ruin to this nation.

Here we have a very young man, who has never so much as argued a case in traffic court, in charge of the Justice Department of the United States. Surely the President could not say he was the most able man, the most experienced man, the most mature man for the job.

What the President of the United States did in appointing his brother as attorney general was a premeditated, overt grab for power over the American nation.

Witness:

When John F. Kennedy was displeased with steel companies, his brother, Robert F. Kennedy, used the enforcement arm of the Justice Department in much the same manner as secret police of dictatorships are used when a dictator is displeased. Resistance was crushed in less than 24 hours by blatant intimidation.

Witness:

General Edwin Walker is in the hands of the Justice Department. Newspaper reports indicate that the general is being subjected or is about to be subjected to psychiatric examination without due process of law.

Regardless of whether you agree with the general in some of the things he has done and said, any fair man would be forced to agree that Walker is entitled to due process of law. In this case, due process of law means a hearing in open court.

U. S. Dist. Atty. F. Russell Millin of Kansas City told newsmen an order for psychiatric examination already has been issued by U. S. Dist. Judge Claude Clayton in Oxford, Miss. No open court hearing has been held.

There now are ugly indications that there has been collusion between the Justice Department and the judiciary in the Ole Miss case. If this is true, the American people must move swiftly if individual rights are to be protected.

WE CALL ON CONGRESS—THE HOUSE AND SENATE—TO PASS A JOINT RESOLUTION ASKING FOR THE IMMEDIATE REMOVAL OF ROBERT F. KENNEDY AS ATTORNEY GENERAL OF THE UNITED STATES.

An investigation of collusion charges should be made. Impeachment proceedings should be initiated with all haste against anyone found to be involved in such collusion.

## Oral Innoculation Is Set For Next Sunday

Mass oral inoculation for polio will be administered here Sunday.

This information came this week from Dr. J. Manley Bryan who is in charge of the Sabin program here in Canyon as a representative of the sponsoring Potter-Randall County Medical Society.

There are three types of Sabin vaccine. Type I will be administered Sunday. Type II will be administered Nov. 18. Dr. Bryan said the Society hopes to administer Type III some time next spring.

Mass inoculation will begin about noon at two stations and continue until 6 o'clock in the evening. One station will be located at the Student Union Building on the West Texas State College campus. The other will be at Canyon High School.

Dr. Bryan stressed that those who already have taken Salk vaccine also should take the Sabin inoculation. There are three types of viruses which

cause polio, he pointed out.

The three types of Sabin vaccine not only immunize the person who takes it but also prevent him from being a carrier of polio. Dr. Bryan said this is not true of the Salk vaccine. A person may be immunized by use of Salk shots and still be a carrier.

Dr. Bryan said everyone from 3 months old and older should take the vaccine. He stressed especially that elderly people take it.

Babies and diabetics will be given the vaccine in distilled water.

Dr. Bryan also pointed out that Sabin produces a more permanent type of immunity than does Salk.

Volunteer workers will help doctors operate the dispensing stations. Doctors are contributing their time.

Paper cups for the program are being furnished by Canyon Drug, The Pharmacy and J.D. (See ORAL, Page 3)

## Thugs Take Saddles At Hicks Farm

Sheriff "Slim" Johnston said 3 saddles, one of them a trophy award saddle, one pair army saddle bags, a lariat, one saddle blanket and two Navajo blankets were stolen recently from the tack room of Orville Hicks on the Hereford Highway.

Investigating sheriff's deputy, Calvin Costley, said the stolen trophy saddle was one made by Maddox of Amarillo on a Bob Crosby tree. The words "Hale Center 52" are stamped on the seat jockey and "Champion Calf Roper" on the sweat leather of each stirrup. Costley said one of the other two saddles is a "N. Porter" kid saddle made in Phoenix, Arizona. It is hand tooled and has a padded seat with square skirts.

The third saddle is a "Windy Ryan" rough out on a Ryan Special tree. It has a 15' quilted seat with "Ryan Saddle, Ft. Worth," inscribed on a metal plate on the horn.

## Youngsters Are Hurt In Accident

Three Canyon youngsters were injured Saturday night when the late model truck in which they were riding skidded through a dead-end intersection at Western and McCormick Road.

Relatives said the children were blinded by bright headlights causing them to skid through the intersection. The truck left the road and hit a deep bar ditch. It landed right-side up in a nearby field.

Injured in the crash were Janet Gerald 17, her small brother Dan 2, and Patricia Barnett 17, the driver of the pickup. The Gerald girl, who is 1962 Panhandle Dairy Princess and Canyon High's FFA Sweetheart, received severe chin lacerations losing 5 teeth as a result. Her brother Dan received a hard blow to the head. X-rays showed no evidence of skull damage.

The Barnett girl received a splintered nose and severe head cuts.

## Community Concert Is Over Top This Season

Community Concert Association membership campaign went over the top last week.

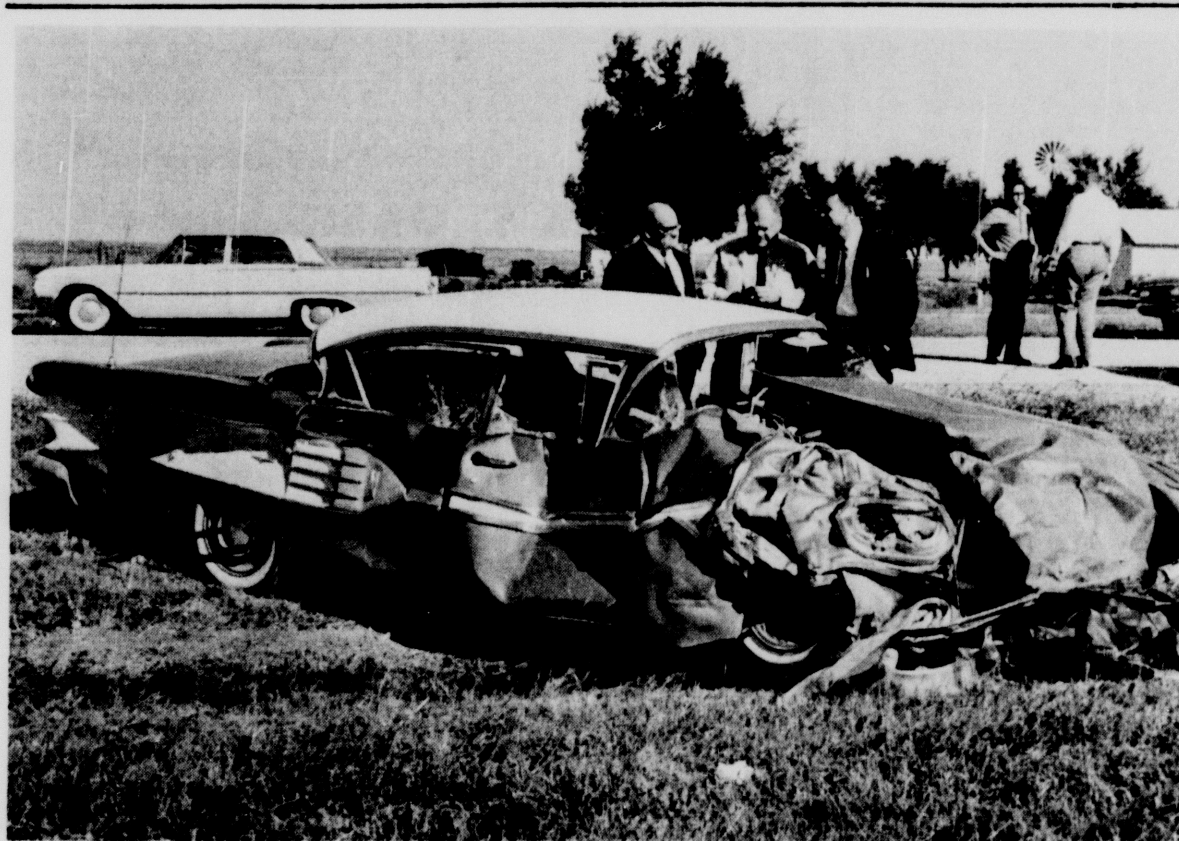

Dr. Ples Harper, chairman of the campaign, reports 100-plus more memberships obtained this year than last. This, too, is in lieu of one of the most attractive and varied series ever offered.

Programs to be seen by members consist of a Spanish ballet ensemble, a string quartet, and a young Texas pianist on his

## Stupid, Shortsighted Policy Assailed

# Prexy Rips Solons

By TROY MARTIN

This is one of the cars which figured in a two-car collision Monday that took the life of Irl Hicks Lipe. Both cars were demolished in the

mishap which took place 2 miles south of Canyon on Highway 87.

## Canyon Farmer Killed In Crash Here Monday

A pioneer Canyon farmer was killed and two Canyon boys seriously injured in a two-car collision about two miles south of here on Highway 87.

Dead is Irl Hicks Lipe, 67 years old, a resident of this area since 1909.

Hospitalized for treatment of serious injuries were Danny Lee Johnson, 18, and Jimmy Reece Parker, Jr., 18, both of Canyon.

Johnson's condition was described as good at Nebbett Hospital Wednesday morning. He suffered face lacerations and compound fracture of the right leg mid-way above the knee.

Hospital attendants at Northwest Texas Hospital in Amarillo also described Parker's condition as good. Parker suf-

fered face lacerations, loss of several teeth and jaw fracture.

Mr. Lipe was believed to have died instantly when he was thrown from his car as it was hit broadside by the other automobile.

Investigating highway patrolmen said Mr. Lipe was leaving his home and was crossing the west lane of the two-lane north-south highway when the accident occurred. He was believed en route to Canyon.

The other car was driven by Johnson. Officers said that vehicle was traveling south. The highway crossing is at the crest of a hill near Dreamland Cemetery.

The Johnson car struck the Lipe vehicle just above the door. The door came open and Mr. Lipe was thrown out. He may have been ground between the two cars.

Officers said most of his injuries were caused by striking the pavement. Ironically, the Lipe car was equipped with seat belts which Mr. Lipe was not using.

Officers said that had his seat belt been in use, his life

probably would have been saved.

The Johnson car continued down the road 110 feet from the point of impact and came to rest about the center divider of the highway. The Lipe vehicle spun 155 feet down the highway from the point of impact.

Highway patrolmen Wednesday still were trying to contact two women who witnessed the accident.

Funeral services for Mr. Lipe were held Wednesday afternoon in LaGrone Funeral Chapel. Officiating was Rev. Strauss Atkinson, pastor of Canyon First Baptist Church. Burial was in Dreamland Cemetery.

Mr. Lipe was born July 10, 1895 in Bates County, Missouri. He was a member of the IOOF Lodge and a veteran of World War I.

He moved to the Tulsa area in 1909 and to Canyon in 1920.

Survivors include a brother, C.B. Lipe of Denver; a sister, Mrs. W.D. Allen of Amarillo; and a nephew, LaVerne Patterson of Sioux City, Neb.

## FIRE PREVENTION WEEK, 1962

### A PROCLAMATION

BY  
THE MAYOR OF  
CANYON, TEXAS

WHEREAS, thousands of Americans lose their lives each year from fires that could be prevented; and

WHEREAS, great social and economic losses to our city result from the destruction of homes, business enterprises, industries and natural resources;

THEREFORE, I Delbert E. Lowes, Mayor of Canyon do hereby proclaim the week beginning October 7, 1962, as Fire Prevention Week.

I call upon all departments and agencies of the city government to participate actively in a campaign for improved fire safety. The Fire Department and the schools of our city can provide effective leadership in the activities of Fire Prevention Week, and I urge them to work with the Chamber of Commerce and other organizations for a successful program.

I earnestly request every citizen of the community to take part in relieving hazardous conditions and making our city a safer community in which to live and work.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of Canyon to be affixed.

DONE in the City of Canyon, this 18th day of September, 1962.

Delbert Lowes

Mayor

Attest: Dana McDowell

City Clerk

## Bufs Try For Four Straight

# Rebels Here Saturday

They try harder to beat you

as the season progresses.

At least that's how Coach Joe Kerbel feels about it as his charges go on the field against Arlington State Saturday night with an undefeated record in three outings.

Coach Joe Rector returned with a scouting report on the Arlington -Stephen F. Austin game that was anything but comforting to hear him tell it.

Rector says Arlington has a big team with a line average of about 215. He said the team is capable of playing better than average football and if the desire hits them Saturday night they could be tough to handle.

The Arlington Rebels have 11 lettermen in their lineup. Charlie Keys, the fullback, will earn his fourth letter this year. He carried 25 times last Saturday night for 116 yards in a contest that saw the Rebels trip Stephen F. Austin 34-14.

Arlington has plenty of reserve and uses the platoon system. The quarterback, Doug Wilson, is a fine runner. He rolled up 200 yards Saturday night. Rector says he is a good field general.

Coach Chena Gilstra's charges were slow in starting this year, losing the first two games to Mississippi Southern and East Texas State.

Coach Kerbel's boys made it three in a row Saturday night when they drubbed an outclassed Texas Western team 49-0.

## Bryce Slack Filling Post

The Canyon Board of Education approved this week the appointment of Mr. Bryce Slack as fourth grade teacher for Canyon Elementary School.

Slack will fill the vacancy left by the death of Billy Brown.

Slack, a home town Canyon boy, graduated from Canyon High School in 1949, attended Baylor University in Waco where he earned his Bachelor of Science degree. He received his masters degree in Education at West Texas State.

Slack has more than six years teaching experience in the Dalt school system and in the Amarillo Elementary School system where he taught sixth grade.

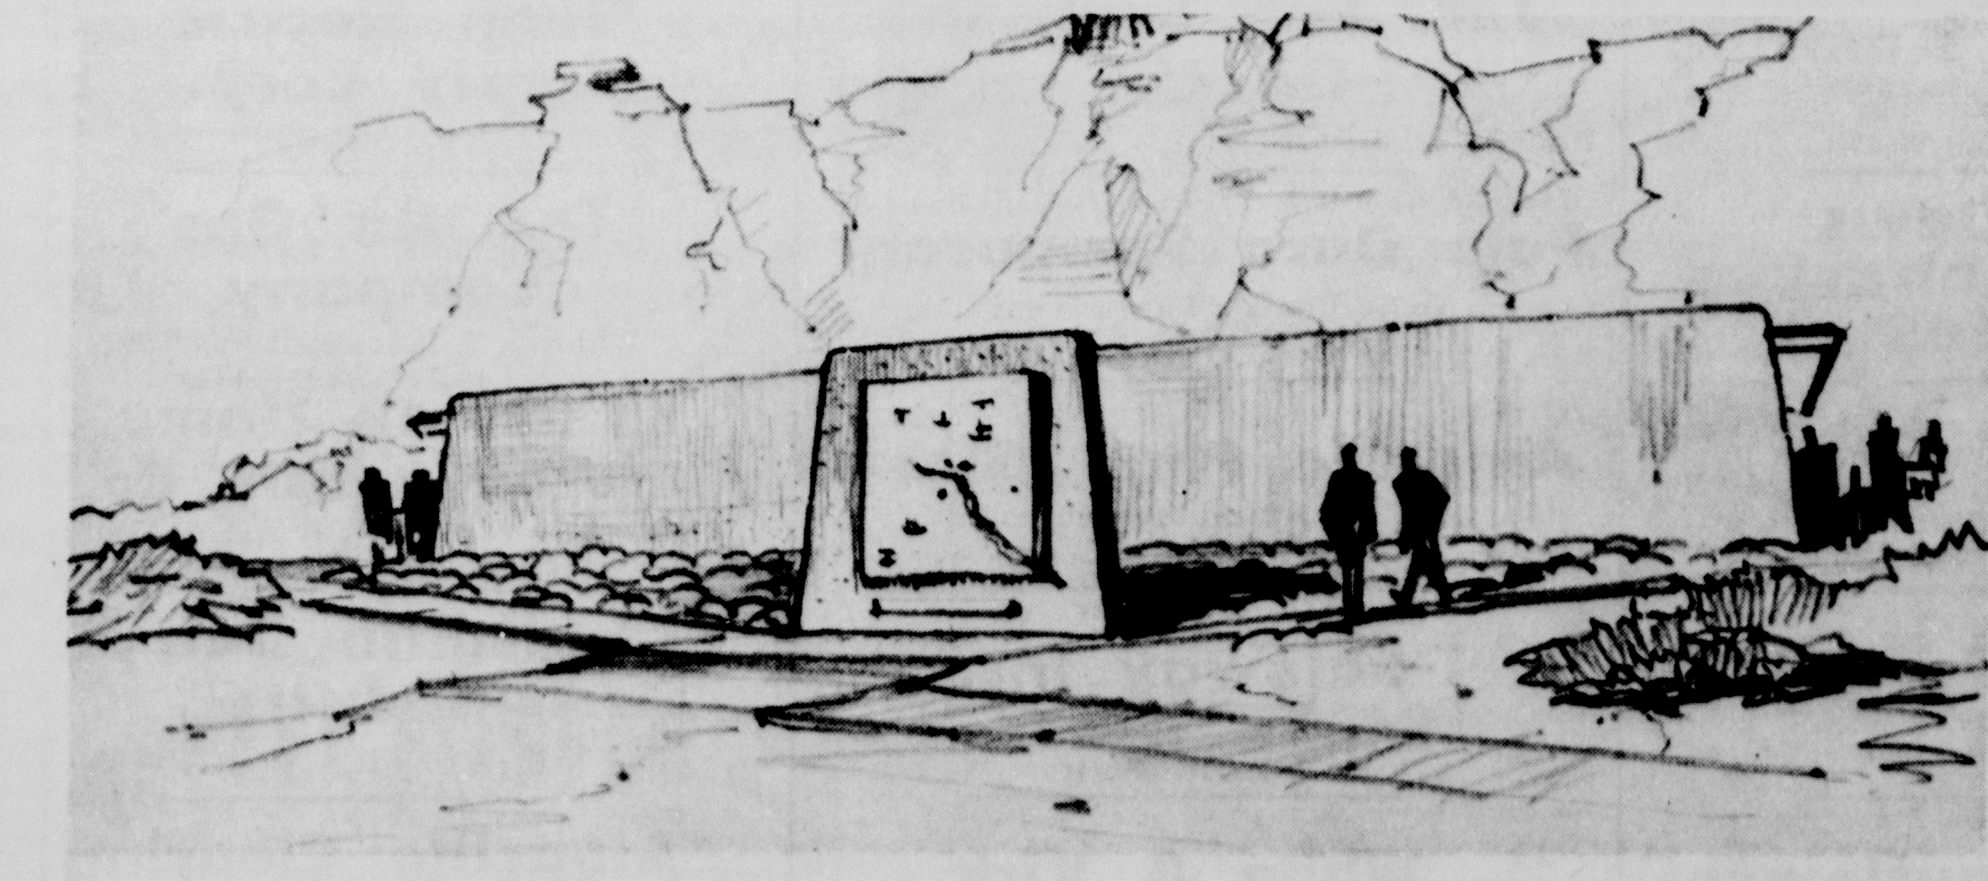

He is 31 years old and has four children. He married the former Shirley Goodman, daughter of the A.K. Goodmans of Canyon.

Other wins have been over Trinity University and Texas Tech.

West Texas' nifty halfbacks--Pete Pedro and Jerry Logan--led the way again, each scoring two touchdowns. Pedro gained 140 yards rushing in 20 carries to boost his three-game rushing total to an even 500 yards.

Logan returned a punt 65 yards for one of his touchdowns, booted seven of seven extra points, threw a 22-yard touchdown pass to end Woody Gilliland, and caught 2 passes from quarterback Jim Dawson for 23 yards. While Pedro easily leads the team in rushing, Logan tops in scoring with a fantastic total of 53 points.

The Bufs, beating Texas Western for only the second time in 12 years, came out of the game in excellent physical condition, and will enter the Arlington State game in the best condition since the opener. Fullback Ollie Ross, who carried the ball only four times in the Trinity opener before hurting an ankle, is back in top shape and will add depth to that position. His successor, sophomore Russell Mundy, has done a top-notch job, gaining 158 yards in 28 carries.

Work is scheduled to begin in about two weeks on the new amphitheater in Palo Duro Canyon. The Panhandle Heritage Foundation board and the Amarillo Area Foundation board Tuesday morning made

the decision to go ahead with construction. Contractor is the Ramey Company of Amarillo. Mrs. Ples Harper, Heritage Foundation president, said arrangements have been made to borrow some

\$60,000 against \$77,000 in pledges to begin the work. She said plans call for immediate construction of the amphitheater entrance, all walks, the bowl and dirt work, seating platform, the stage and paving of the stage.

# Amarillo Backs The Buffs

## MOM & DAD DAY

Billy Willingham . . . Assistant

A letterman guard at Texas Christian University three years, Billy Willingham has been a successful football coach since playing days in 1951.

Willingham, who coached the North Line in the annual Texas Coaching School All-Star game three years ago, has helped produce outstanding clubs as assistant

coach at Albany, Nocona, and Sweetwater High Schools. He came to WT from Sweetwater, where he had been for five seasons.

He played high school ball at Stephenville, graduating in 1946. He served 18 months in the Air Force before completing college work at TCU. He was an offensive guard in the two-platoon system under Dutch Meyer.

Jack Harris . . . Assistant

Jack Harris, end coach, starts his third year at West Texas State. The 39-year-old coach, who gave up the head job at Pharr-San Juan-Alamo High School to move to West Texas, served under Kerbel at Breckenridge High School in 1952 and '53.

An all-state end at Breckenridge in 1939, Harris played at University of Texas, and after duty with the Marines in World War II, finished his career at Hardin-Simmons.

He coached at Itasca High School in 1947, went to Southwestern University as an assistant in 1948 and took over the head job at Ozona the following year. He was there until 1951, when he was recalled by the Marines, but was back in coaching at Breckenridge in '52.

## Community..

(Continued From Page 1)

sive list of major orchestras, to include the R.A.I. Orchestra of Rome, the Lisbon Philharmonic, the Boston Pops, Baltimore Symphony, St. Louis Symphony, Philadelphia Orchestra and the New York Philharmonic.

First concert of the season will be the Carlos de la Camara Ballet Espanol, November 10. The group includes a brother-sister dancing team, a singer-guitarist, two other dancers and a pianist. They are one of the youngest groups ever to appear through Community Concerts.

The third program to be presented this season by Canyon CCA is the Fine Arts Quartet, ranked as "master of the chamber music medium." The quartet last summer played in Aspen, Colo., and was compared competitively with the Juilliard Quartet, which appeared here last year. It has been a popular presentation on the "Today" TV show.

Mrs. A. W. Lair, Canyon president, states,

"We are just very pleased with the success of the campaign, and want all those who responded so willingly to be just as pleased with the fine programs to be presented."

All workers who sold ten or more memberships last week were to receive one complimentary membership. They were Mrs. J. D. Barker, Mike Barry, Mrs. Mary Bonnie, Mrs. Elsie Collins, Mrs. Gerald Dietz, Mrs. Cortez Dowlen, Mrs. Edith Eckhardt, Dr. Joe Findley, Mrs. Joe Findley, Mrs. Joe Frank, Patricia Haley.

Mrs. Margaret Harper, Dr. Ples Harper, Barbara Hunn, Mrs. A. W. Lair, Dr. Ruth Lowes, Gene Morrison, Mrs. Helene McFarland, Mrs. James Prowell, Raymond Raillard, Robert Smith, Mrs. Murphy White and Mrs. Donna Wilson.

Other special prizes will be given to Pamela Davis and Mary Ann Wheelock, public school students, who tied for selling the greatest number of memberships and to Robert Smith and Barbara Hunn, college students, who also tied for top place.

Some 100 people were engaged in the one-week campaign. Mrs. Peggy Blackburn, national representative, expressed generous pleasure with the conduct and results of the campaign.

"The Concert Board" commends Dr. Harper, "would like to thank the individuals and the

cation will be able to get one. However, he said serious performance will be more and more required or the student will not be allowed to stay in school.

"A student out one place will be out everywhere," he asserted.

Dr. Cornette spoke of the assured growth of West Texas State College.

"Our area is larger than nine of the states of the Union," he pointed out.

He referred to West Texas State as a state supported, area endowed institution. He referred to the church centers around the college, the museum, Buffalo Bowl and the Opportunity Plan.

Dr. Cornette invited his listeners to come back often.

He noted that West Texas State College was founded at a time when there were eight barbed wire gates between Canyon and Amarillo. Now there is a free way.

He said the institution has progressed as much as the road system. He urged his listeners to keep up with the progress being made at WT by frequent visits to the campus.

Cornette spoke at a banquet honoring visiting bankers and publishers. The group was brought to the campus through the Canyon Chamber of Commerce in cooperation with the college.

Some 50 publishers, bankers and their wives assembled on the West Texas State campus for a tour of the facilities. After the banquet at which Dr. Cornette spoke, they were guests at a football game in which West Texas Buffaloes humiliated the Miners from Texas Western 49-0.

community for making the campaign this year a roaring success."

Members of the Kappa Alpha Order, national social fraternity at West Texas State College, appeared again this year on the stadium hill north of Canyon to whitewash the W.T. emblem.

They have maintained the emblem since it was changed from the old T-Anchor in 1959. (Photo by John Pakan)

Mr. and Mrs. John R. Jones, Canyon, baby girl, born Sept. 29.

Mr. and Mrs. Bobbie Glenn Andrews, Canyon, baby boy, born Sept. 29.

Mr. and Mrs. Donald R. Gerber, Amarillo, baby girl, born Oct. 1.

Fred Olsen and Curley Myers, Randall County Farm Bureau Representatives attended a three day state wide Farm Bureau Insurance Agency meeting this week at the Villa Capri Motel in Austin.

## E.J. Wieck Appointed

Edward J. Wieck of Route 1, Canyon, Texas has been appointed a member of the three man Randall County Farmers Home Administration Committee, the Agency's County Supervisor John B. Henry announced this week.

Mr. Wieck succeeds Everett W. Glenn whose three year term expired this year. The two members serving with Mr. Wieck are Mr. John W. Jennings of Canyon, Texas and Mr. Aloysius R. Friemel of UMBarger, Texas.

The local Farmers Home Administration County Committee reviews applications by farmers and other rural families for six different types of agricultural, housing and water loans made in Randall County. In addition, the Committee advises with the County Supervisor regarding the adapting of national loan policies to local conditions.

During the past fiscal year ending June 20, a total of \$530,720 in Farmers Home Administration loans were made through the Agency's local county office. Each loan is accompanied to the extent necessary by technical farm and financial management assistance. County Supervisor John B. Henry says that Mr. Wieck's practical farming experience will enable him to make a real contribution to the County Committee's action when they review applications.

## Coffee Cans Sought For Homecoming

A "Flaming WT" is being planned by the cheerleaders of West Texas State College for the Buffs' homecoming game with New Mexico State on October 20.

Coffee cans filled with sand and soaked with kerosene will be placed on the football field in the shape of a WT, and will be ignited during the halftime activities.

The Buffalo Gals, a WT service organization, is sponsoring a drive for cans, and the people of Canyon are being asked to participate in the project.

Anyone wishing to donate cans may take them to Brown Hall on the WT campus, or may call

OL5-4063 or OL5-3653 (Unit A of Brown Hall) after 5 o'clock and arrangements will be made to have the cans picked up. Mollee Puckett, a member of the Buffalo Gals, has asked that the cans be turned in by Friday, October 5, so the girls can have them ready for the game.

Ivan Davis, young Texas-born pianist who is sky rocketing to international fame, will present a concert here in January. His recital is one of the series offered by Canyon Community Concert Association.

## Canyon Group Attends Meet In Amarillo

Charles Wright of Canyon was elected to the State Board of Directors of the Texas Division of the American Cancer Society representing the 20 counties in District Three-North at the meeting held in Amarillo Tuesday, October 2.

Dr. Kenneth W. Waugh, President of the Randall County Unit,

Mrs. Fletcher Sims, and Wright represented the local unit as official delegates at the district meeting.

In the featured address, Richard P. McGrail of New York, Deputy Vice-President of the National Society, told the delegates that the future of cancer control, both in research and in education, service and fund-raising, depends on an increased acceptance of responsibility and on intensive training for this work on the part of volunteers from each of the counties.

Representatives of each county reported on their cancer control programs during the past year, and the status of the entire district was given by John S. Skelly of Pampa, District Director.

# Delta Kappa Gamma Society To Hold Regional Meeting

"New Times Demand New Measures" will be the theme for a regional meeting of members of the Delta Kappa Gamma Society, international organization of women teachers, at Tascosa High School, Amarillo, on Saturday, October 13.

Zeta Epsilon Chapter of Amarillo, with Miss Stacia Irene Crawford as president, will be hostess chapter to this regional meeting which is one of eighteen conducted throughout Texas in October and November. Participating chapters with their presidents are: Pi, Mrs. Robbie Dewald, Amarillo; Beta Delta, Miss Mary Reeve, Pampa; Gamma Theta, Mrs. Gladys Phillips, Darrusett; Gamma Kappa, Mrs. L. C. Sweatt, Wellington; Gamma, Mrs. Frances Holden, Dumas; Delta, Miss Della Stagner, Hereford; Zeta Delta, Mrs. Evelyn Laney, Amarillo; and Zeta Zeta, Mrs. Sue Stephens, Amarillo.

Directors of the meeting, representing Alpha State, will be Mrs. Roby Lee Lafferty of El Paso, first vice president and program chairman, and Mrs. Velma Raney Weaver of Clarendon, state chairman of the committee on music and member of the state program committee. Mrs. Lafferty and Mrs. Weaver will meet with chapter presidents at 8:00 A.M. for a workshop. At 9:00 A.M. other members will meet in the Commons, Tascosa High School, for registration and coffee. At 9:30 A.M. the general session will begin in the auditorium. Mrs. Weaver has worked with chapter presidents in planning the meeting, and Mrs. Lafferty will be the speaker at the luncheon which concludes the program. Mrs. Lafferty who attended the International Convention of the Delta Kappa Gamma Society in Philadelphia in August, will speak on "New Times Demand New Measures", presenting the long-range plan for the Society.

Mrs. Lafferty has been a member of Delta Kappa Gamma since 1937. She is a past president of Kappa Chapter, El Paso, and served as treasurer for the Southwest Regional Conference in El Paso in 1955. She has appeared on programs at conferences and conventions of the Society in Honolulu, Tul-

sa, Minneapolis, and Phoenix. In 1961 she was a recipient of an Alpha State Achievement Award. Mrs. Lafferty teaches English in Burges High School, El Paso, sponsors the Future Teachers Club in her school, and is past president of the Airport Opti - Mrs. Club and the El Paso Council of Opti - Mrs. Her husband is lieutenant governor of District 19 of the Optimist Clubs. She also is active in De Molay Mother's Circle, church and Sunday School, and A.A.U.W.

Mrs. Weaver has been member of Delta Kappa Gamma since 1945. She is past president of Gamma Kappa Chapter, has held all offices on the chapter level, has appeared on programs at Alpha State conventions and Southwest Regional conferences of the Society. Mrs. Weaver is head of the Music Department of Clarendon Junior College. She is active in church work and the 1926 Book Club of Clarendon.

Special Interests Groups will meet following the general session. "New Measures for our Committee on Chapter Programs" will be conducted by Miss Mary Reeve of Beta Delta, and Mrs. Robbie Dewald of Pi. "New Measures for Professional Growth and Development of Delta Kappa Gamma Members" will be led by Miss Della Stagner of Delta, and Mrs. Sue Stephens of Zeta Zeta. "New Measures for the Personal Growth of Delta Kappa Gamma Members" will be conducted by Mrs. Gladys Phillips of Gamma Theta, and Mrs. Frances Holden of Gamma. "The New Role of the Committee on Membership" will be led by Mrs. Evelyn Laney of Zeta Delta, and Mrs. L. C. Sweatt of Gamma Kappa. Records from each group will report to all members in a second general session.

Special committees appointed for the regional meeting are Recorder, Miss Lucille Park, Delta; Accompanist, Mrs. Mildred Bosler, Gamma; Time Keeper, Mrs. Mildred Sullivan, Beta Delta; Publicity, Miss Zady Belle Walker, Gamma Kappa; and Program, Mrs. Gladys Cox, Zeta Epsilon.

October 8 has been set as reservation date deadline.

Members of all participating chapters are asked to mail checks for \$2.75 to Mrs. Hester Still, 3306 Lewis Lane, Amarillo, Texas, by that date.

Canyon women who hold membership in the Delta Kappa Gamma Society are Miss Edna Graham, Mrs. Geraldine Green, Miss Gladys Armstrong, Miss Elva Fronabarger, Miss Dorthula Walker, Miss Hattie Anderson, Miss May Carter, Miss Mae Simmons, Mrs. Alma Perkins, Mrs. Cortez Dowlen, Mrs. Isabel Cousins, Mrs. Charlotte Brantley, Mrs. Donna Wilson, Mrs. Eunice Haggard, Mrs. Earlene Moreman, Mrs. Madge Culberson, Mrs. Linnie Harter, Mrs. Ocoee Holt, Mrs. Mary McBroom, Mrs. Flora Phillips, Miss Wilma Hixson, Mrs. Grace Knighton, Mrs. Audrey Jones, Mrs. Hazel Sunderman, Mrs. Audrey Sanders, Mrs. T.B. McCarter, Mrs. Hazel Walsh, Miss Claudia Neeley, Mrs. Dixon Davis and Dr. Leta Boswell.

## HD Club Hears Sally Fields

Palo Duro Rusk Home Demonstration Club re-elected incumbent officers in a meeting on September 25 in the home of Mrs. Alvin Kuhlman. Serving again are Mrs. Douglas Marshall, president; Mrs. John Hare, vice-president; Mrs. Charles Conaster, secretary-treasurer; Mrs. Earl Reynolds, council delegate; and Mrs. Clem Dugan, reporter. Miss Sally Fields, county home demonstration agent, presented a program entitled "Essential Extras," in which she discussed trends in colors for Fall and Winter accessories.

Eight members and two guests were present.

The next meeting is set for October 9 in the home of Mrs. Earl Reynolds.

## Canyon Women Attend Meeting

Lucius Penick Post # 5681 and Auxiliary met in Plainview last week for the District 13 Quarterly meeting. Attending from Canyon were Auxiliary president, Mrs. Lawrence Hunnicutt, Auxiliary Secretary-Treasurer, Mrs. Johnnie McBroom, and Mrs. C.C. Stephens.

The next District 13 meeting is scheduled for Canyon.

On Monday night, October 1, Mrs. Hunnicutt made an official visit to the Roy Wederbrook Post Auxiliary in Hereford where she attended a salad supper.

## Junior Woman's Book Club Slates Home Tour Sunday

This Sunday, October 7, Canyon residents will have an opportunity to see some of Canyon's most charming homes when the Junior Woman's Book Club sponsors the annual tour of homes from 2 until 6 p.m. Mrs. Doris Moore is chairman of the 1962 home tour.

Proceeds from the tour each year go to support local projects. Last year's funds went toward purchasing Girl Scout Camping equipment and to the Randall County Library, and the Junior Livestock building.

Floral arrangements are placed in each home by the Canyon Garden Club.

## News, Features For The Women

by Jean Harper

## Around The Town

Doris Moore's mother, Mrs. Roy J. Greer of Louisville, Kentucky, has arrived for a visit in time for the home tour, of which Doris is chairman this year.

Also, fortunate enough to have her mother visiting is Lois Hull. Lois' mother is Mrs. Oran Kirkpatrick of San Antonio.

Dr. and Mrs. J.A. Hill have had his daughter, Mrs. Lee Moore Hill and son Bill, from Borger as weekend guests. Her other son, John, is living with the Hills while he is a graduate student at West Texas. Dr. Hill is attending the Democratic rally in Borger this week where he is delivering the invocation.

Dave Mathis' brother, the Rev. Leon Mathis, of Houston, is here this week to conduct the revival being held at the Methodist Church.

Thelma Owens' many friends will be glad to hear that she has returned to Canyon this week. Thelma fell and broke her hip about five weeks ago while she was visiting in Wortham, Texas, and had to wait until she was able to manipulate a wheel chair before she returned home.

Mrs. Joe Cox who lives south of town brought in some snowball blossoms that were in full bloom. The bush usually blooms in the spring and Mrs. Cox

## Beta Sigma Phi Hear Mrs. Henry

Members of the Chi Upsilon chapter of Beta Sigma Phi heard about "The Magic of Makeup" in a September 26 meeting at the Girl Scout House.

Mrs. Bob Henry gave the program which gave hints for better makeup.

Club president Mrs. Elmer Clements was in charge of the meeting which commenced with the opening ritual. Communications from international were discussed and committee reports were given.

Attending were Mesdames Clements, Bob Brotherton, Jim Christopher, Jerry Johnigan, Bob Henry, Ben Wade, Gene Goldson, Charles Nester and Misses Virginia Rossiter and Betty Patterson.

Mrs. Doug Rittenberry and Mrs. Troy Jordan acted as hostesses.

could not account for the blooming other than the possibility that the plant food she fed it last Spring, caused the timing mechanism in the plant to go off.

Mrs. J. Roy Davis has had an old friend of more than fifty years visiting her in her home this past week. The friend, Mrs. Bernice Prints, had attended W.T. in 1915, although Mrs. Davis had known her prior to that time. Mrs. Prints became a teacher at the age of 16, and later moved to Sacramento, where she now lives. J. Roy Davis left Tuesday morning of this week for Pagosa Springs, Colo., to attend the funeral of his brother, Dee Davis.

Word has reached us that Linda and Tom Lindsey are the proud parents of a baby girl born on Oct 2 in Borger. Linda is the former Linda Burkett of Canyon.

We are depending on our readers for news, so please keep up the good work. See you next week!

Enjoying a neighborhood back-yard supper are Mr. and Mrs. Ray Campbell seated with their backs to the camera, and Ronnie Isham, at the end of the table, Mrs. Isham and Robbie, and

Mrs. Alfred Harris. Standing are Mrs. Joe Cleveland and daughter Jenny, and in the background are Joe Cleveland and Walter Howard.

## A D Pi Honors Patronesses With Reception On Sunday

The Amarillo Alumnae chapter, and the active college chapter of Alpha Delta Pi, oldest secret organization for college women, entertained on Sunday, September 30 with a reception honoring the new patronesses of the sorority.

Greeting guests who called

between the hours of three until five in the afternoon, were Miss Albessa Stevenson, Canyon, Chairman of the Chapter Advisory Board, Mrs. J. Hudson Moyer, Amarillo, President of the Amarillo Alumnae Association, and Miss Barsha Fowler, Dalhart, President of Delta Lambda Chapter at West Texas State College.

The reception area in the Formal Lounge of the Student Union Building was decorated with arrangements of Fall flowers. The serving table which was spread with a floor length cloth of white linen was overlaid with an imported lace cloth. An arrangement of white spider and pompon mums, and blue dusted grapes held in an antique silver basket centered the table. An open silver jewel box displayed a diamond and sapphire Alpha Delta Pi badge. Background music selected by Mrs. Edward Melin, Amarillo, was provided by Stereo.

Patronesses honored were Mrs. Clay Cooper, Mrs. Elize Frieze, Mrs. Donald Kiever, Mrs. C. Petruccione, Mrs. E.K. Snyder and Mrs. Jack Walker, all of Canyon.

Active chapter members, who were gownned in floor-length white formals over hooped skirts, assisted in serving. Those who assisted by pouring were Mrs. Joe Findley, Mrs. Cort Rushmer and Miss Billie Flesher, all of Canyon, and Mrs. Laura Hucabey, Mrs. Marjorie Kilgore, Mrs. Lee Russell and Mrs. U.C. Sterquell, all of Amarillo. Miss Elizabeth Whitehead presided at the Guest Book.

The committee in charge of the reception was headed by Mrs. Samuel W. Van Meter. Serving with her were Mrs. Hadley Edgar, Mrs. John B. Cean, Mrs. James George, and Mrs. Jerry Hopson, all of Amarillo.

Chief barbeque chefs were Col. Hobbs and David Lipscomb. The food was plentiful and the fellowship delightful. Toddlers, children and teenagers had a spree with balls, croquet, horseshoes, a sand box, roller coaster and swings. Following dinner, families gathered on the patio around Col. Hobbs as he played his mandolin. The evening came to a satisfying close as children, teenagers and their parents sang old favorites.

Special guests and new residents since the pot-luck last year were Mr. and Mrs. Ed Campbell, Kevin and John; Mr. and Mrs. Joe Cleveland, Gaye and Jenny; Mr. and Mrs. Ronnie Isham and Robbie; Mr. and Mrs. Fred Olson, Mary Lou, Rosanne and Kay; and Mrs. Charles Parks, Mary Lou and Charles.

Others attending were Mr. and Mrs. F.M. Kinney, Mrs. W.V. Counseller, Bob and Brenda; Mr. and Mrs. Walter G. Howard, Brenda and Cheryl; Mr. and Mrs. Bill York, Jack and Jeff; Mr. and Mrs. Alfred Harris, Diane, Ellen and Melanie; Sgt. and Mrs. William Johnson, Pat, Pam, Jan, Glenn and Sheila; Capt. and Mrs. William Edwards, Hal, Cindy, and Suzanne; Mr. and Mrs. W. J. Stribbling, and Tommy; Mr. and Mrs. David Lipscomb, Scott and Steven; and Col. and Mrs. Hobbs and Randy.

Hostesses were Mrs. Lipscomb and Mrs. Hobbs.

## Canyon Study Club Holds Tea Sunday

Members of the Canyon Study Club were hostesses at an "Autumn" tea on Sunday, September 30 in the home of Mrs. Elton Cox, 504 Taylor Lane.

The Club's colors of pink and white were used in decoration throughout the house, and the serving table, laid with a white linen cloth, was centered with an arrangement of pink and white flowers in a crystal compote.

Greeting guests at the door were the club president, Mrs. Gordon Williams and Mrs. Cox.

Guests were given name tags featuring small artificial flowers on one corner.

Arrangements for the tea were under the direction of Mrs. Dick Dawdy, and her committee.

Guests who called between the hours from 3 until 5 p.m. were Mesdames Delbert Turk, Bruce Campbell, Duane Guy, James Ma, Bill Cunningham, Joe Cleveland, Charles Chambliss, Don Gaston, Allen Winters, Gilbert Irlbeck and William Burum.

## FHA President Attends Meet

On Wednesday, September 26, Nancy Hicks, Area 1 FHA president and Mrs. Guylene Stover, Area 1 FHA Advisor, attended an officer workshop in Dalhart, at which eight area schools participated.

At the luncheon, Nancy spoke on the National Program of Work of 1962-1963, and Mrs. Stover spoke on State and Area projects.

On September 29, the Area

1 Executive Council met in the Homemaking Department of the Canyon High School.

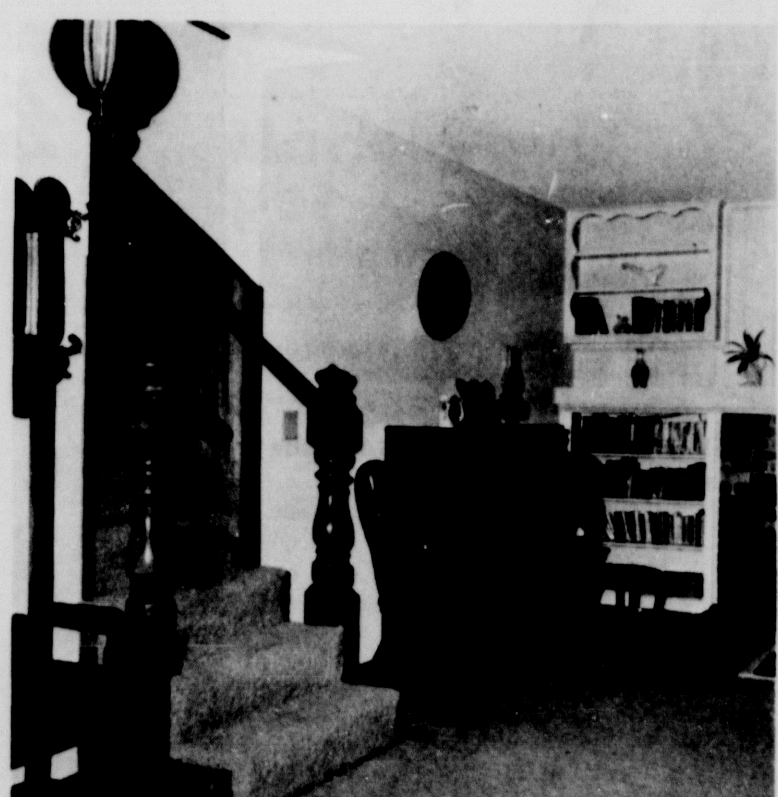

A coffee hour preceded the meeting which was called to order at 9 a.m. by Nancy Hicks, Area 1 President. Mr. Joe Gibson, superintendent, and Harry Lisle, student council president, delivered messages of greeting to the group. Plans were approved for the Area 1 meeting and newspaper.

An object of beauty as well as of sentiment is this antique love seat in the home of Mrs. A.L. Walsh. It was a gift to Mrs. Walsh from her late husband.

A French credenza topped by a French mirror and trimmed in ormolu with a Sevres Medallion holds some of the lovely antique objects to be found in the Cecil Simms home.

The R.A. Smiths drew their own plans for their home and did much of the interior decorating themselves. The pictured antique organ is one of Mrs. Smith's favorite possessions, as are the kitchen tiles, which she hand-painted herself.

French Provincial styling is found in the C.B. Erwin home as evidenced by this view from the living room into the dining room. The dining room suite was a Christmas gift to Mrs. Erwin last year from her husband.

The pink marble fireplace, set in a pink mantel, and fronted with a brass early American style fan is an object of beauty in the home of Mrs. C.W. Warwick.

## Church Women Plan World Community Day

A planning meeting for celebration of World Community Day on November 2, sponsored by United Church Women was held in the home of Mrs. George de Schweinitz, who represents the Presbyterian Church on the planning committee. Present were the other two committee members who are Mrs. N. W. Roberts of the Christian Church and Mrs. Alfred Bellah of the Methodist Church.

Channels To Peace in Southeast Asia" will be the study through which church women in Canyon hope to re-dedicate

themselves toward the goal of peace.

Piece goods for sarongs for Asian women, and shorts and T-shirts for boys will be collected on the World Community Day, and all monies collected will go toward completing a nurse's training center in Surabaya, Java, and for the training of village health workers.

The World Community Day worship service will be held at the Presbyterian Church at 10 o'clock in the morning following a coffee in fellowship hall of the church at 9:30 o'clock.

## Wacky Play Opens BIT Season Here

A wacky comedy-melodrama, "The Gazebo," will open the fall season for the Branding Iron Theatre at West Texas State College, with performances Oct. 11, 12, and 13 at 8:15 p.m., and a special matinee at 2:30 p.m. Oct. 13.

The Alec Coppel play, which as a recent movie starred Glenn Ford, will be directed by William A. Moore. The matinee will be staged for high school students attending a drama workshop on Saturday, sponsored annually by Buffalo Masquers, WT drama club.

West Texas State students will be admitted to the play on their activity tickets, and regular admission will be \$1 for adults, 50 cents for high school students, and 25 cents for grade school children. Advance reservations for any night may be made through the WT speech department.

The comedy was staged last June to open the summer season for the Palo Duro Players, and three members of the summer cast will return to play their roles for the Saturday performances. They include J. Scott Glenn of Borger, as Mr. Thorpe, Joe Tunnell of Midland as Louie, and Reggie Reeves of Canyon as Druker. Gary Wyatt, Dimmitt senior, is cast as Elliott Nash, the man whose gazebo (a summer pavilion) not only pleases his wife and gracefully decorates

the lawn, but provides the setting for an unwelcome murder. Barsha Fowler, a Dalhart senior, appears as Nell Nash.

Bob Finnicum, senior from Erie, Ill., has the role of Harlow Edison, the district attorney and neighbor of the Nashes.

Others in the cast include Yulonda Kidd of Dukes, Okla., as Matilda, the maid; Barbara Billington of Hereford as Mrs. Chandler; Gary Tydings of Hobbs, N. M., as Mr. Thorpe; Harry Gilstrap of Amarillo as the Duke; Dwayne Smith of Pampa as Louie; Joe Godfrey of San Benito as Jenkins; Lydia Miller of Fort Worth as Dr. Wyner; and Ronny Parks of Paducah as Druker.

Alternating as the cop will be Bob Haggard of Canyon and Wilson Evans of Friona.

## Jones-Gray Set October Wedding

Mr. and Mrs. Robert Lee Jones of Amarillo are announcing the engagement and approaching marriage of their daughter, Mary Catherine, to Arvil Weldon Gray, son of Mr. and Mrs. A.B. Gray of Canyon.

The wedding will take place on October 20 at 8 o'clock in the evening at Saint Joseph's Catholic Church in Amarillo.

## Mothers-In-Law Meet

Canyon Mothers-In-Law Club will meet on October 11 at 2:30 p.m. in the home of Mrs. H.C. Hudson, 2002 Sixth Avenue. Co-hostesses will be Mrs. R.D. Lowery, Mrs. Hattie Brasuel, and Mrs. J.N. Seay.

## Shower Fetes Mrs. Jamison

Mrs. Leon Jamison was complimented with a pink and blue shower on Saturday, September 29 at the home of Mrs. Gene Duncan. Co-hostess for the occasion was Mrs. Glen Reeves.

The pink linen table cloth was centered with a heart shaped arrangement of pale pink rose buds as background for a miniature stork and baby.

Refreshments consisted of frosted mint punch and cakes. Out-of-town guests included were Mrs. Lester Norton, Mrs. Vernon Jamison, Mrs. Herman Gerles and Tina, all of Farwell, Texas; Mrs. J. R. Morris, Gruver, Texas; Mrs. Harold Keller and Mrs. Bill Reeves of Wellington, Texas.

## AAUW To Hold Brunch

The American Association of University Women will hold their first organizational meeting of the year with a brunch in the home of Miss Ruth Cross, 2505 Sixth Avenue on October 6 at 10 a.m.

It is at this meeting that groups will be formed for this year's study projects, and all members are urged to attend.

## Sue Hite Won't Meet

The Sue Hite Club will not meet on the usual second Monday of this month due to the Federation Dinner, on October 15. Members will be contacted individually concerning their part in the Federation Dinner.

JANET GERALD

## Miss Gerald Is New FFA Sweetheart

Janet Gerald, Canyon High School senior, was recently elected Sweetheart of the Canyon FFA Chapter.

She was chosen by the boys in the club, and will represent the chapter at all contests and functions throughout the school year.

Janet and her parents will be the guests of honor at the District Banquet to be held in December. She will compete for the title of District Sweetheart at the contest at Boys' Ranch in April.

Janet is the daughter of Mr. and Mrs. Charles Gerald of Canyon, and is active in several clubs in school including choir and FHA. She is Randall County Dairy Princess.

Hailed as the "masters of the chamber music medium," the Fine Arts Quartet will appear here in April in the high school auditorium. Theirs

is one of three programs to be presented by the Canyon Community Concert Association.

## Variety Ring Meets

Mrs. Win Matsler was hostess to the Variety Ring in her home on September 21. A social hour followed the business meeting.

Those present included Mesdames J. P. Hammons, P. L. Pitt, Estelle Rice, Levi Cole, Jeanette Robbins, K. E. Hines, George Barker, Lang Hunter, and Leonard Winters.

## College Students Honored At Supper

Members of the First Presbyterian Church were hosts to Presbyterian students from West Texas State College at a supper on Sunday evening, Sep-

tember 30. Covered dishes were provided by the church membership, and following dinner, a sing-song was led by William R. Wilson.

Girl Scout Troop 1 will hold a Court of Awards on Friday night, October 5, at 8 p.m. at the Scout House. All parents and interested friends are cordially invited.

Carlos de la Camara and his sister, Myrna Gloria, will dance their way across the high school auditorium stage here November 10. Their Spanish ballet group of six performers will be the first recital being offered this season by the Community Concert Association.

Davis Price (20) is shown here carrying. He is being set upon by Glen Roe (13) and coming in for an assist is Bob Wakefield (63). Bill Phillips (40) has just thrown a block. The Eagles defeated the Blackhawks 7 to 6 in this ball game.

## Eagles Trip Blackhawks 7-6 In Gridiron Contest

Canyon's Eagles edged the Phillips Blackhawks when Harry Lisle, halfback, successfully kicked the extra point after Davis Price, quarterback, pushed the ball over the goal line.

Final score was 7 to 6 in favor of Canyon.

Canyon's Eagles kicked to the Blackhawks, and Donald May, Hawk fullback, returned the ball 15 yards to really start the action.

Lynn Johnson, Hawk halfback, made 2 yards around right end. It was Johnson again for 5 yards right.

Johnson carried again, but Bob Begert, Eagle end, stopped the play with no gain.

The Hawks were held for the next 2 plays and were forced to punt.

Lisle lost 2 yards on the first offensive play of the Eagles.

Bill Phillips, fullback, failed to move the ball on the next play.

Then Jim Whinnery, halfback, made 15 yards for the Eagles.

Bill Phillips came back and made 3 yards up the middle.

Davis Price hit Harry Lisle with a pass, but Lisle dropped the ball.

The Hawks forced Canyon to punt, and Preston Prichard, Eagle

gle tackle, got down field to make the tackle.

Mike Webb, Hawk fullback, made 10 yards around right end. A pass attempt failed for the Hawks. Bob Begert got through the line and threw Ralph Okle, Hawk halfback, for a 6 yard loss.

The Eagles took over, and Whinnery was thrown for a 4 yard loss the first play. Canyon fumbled, and Phillips took over. Webb picked up 6 yards for the Hawks.

Johnson made 2 yards, then 3 leaving a string of Eagle tacklers.

Johnson carried the ball again and made the first score of the game late in the first quarter.

The Eagles received the ball on the kick, and Jerry Vance, fullback, returned the ball 20 yards.

There was a fumble during the hand-off from Price to Lisle, and Phillips took over.

Webb made 7 yards on two carries for the Hawks.

Jerry Newcomb, Hawk halfback, picked 6 yards on a reverse. The Hawks punted, and Canyon took the ball deep in their own territory early in the second quarter.

Lisle went for 8 yards before the Hawks downed him. Then he made 5 more yards.

Vance fumbled the ball for the Eagles, and Russell McGough, Hawk tackle, covered for Phillips.

Begert stopped Johnson before he got started, and there was no gain.

Webb made 12 yards on the left side. Webb made a total of 18 yards the next 3 plays.

Johnson made 3 yards twice. The Eagles held the Hawks the next play. A pass attempt by Lynn Alexander, Hawk quarterback, was ruined by Bill Phillips

when he forced Alexander to get rid of the ball or take a 10 yard loss.

Okle lost 1 yard when Begert and Lisle broke through the line and downed him.

The Eagles took over on downs. There was a fumble, but Price picked it up for the Eagles. Lisle made 4 yards.

The Blackhawks received the ball on a quick-kick off the toe of Harry Lisle.

Webb carried twice for a total of 17 yards for the Hawks.

Okle managed to get 3 yards before Tim White, Eagle tackle, made the stop.

Ronny Brock, Eagle guard, knocked Alexander loose from the ball, but the Hawks recovered. The Eagles received the ball on the goal line from a punt, and Price made a 1 yard return. The Eagles lost 1/2 yard.

Donald Breitling removed some pressure from the Eagles with his 7 yard gain which was the last play of the first half of the game.

Canyon received the ball for the Hawks to start the second half of the game. Vance made 5 yards. Price lateraled to Whinnery who went on for 8 yards. Bill Phillips made no gain. Breitling lost 7 yards, then made 2. Harry Lisle got off a good punt of 40 yards.

The Hawks fumbled the ball the first play, and White covered for Canyon. Price charged for 12 yards before several Hawks could bring him down. Vance carried for 9 yards then 12.

Price ran the optional and kept to push the ball over for an Eagle touchdown.

Harry Lisle kicked the extra point, and the score was 7 to

6. Johnson returned the Eagle's kick to his own 10 yard line. Ronny Brock put his 144 pounds to work again and stopped 167 pound fullback, Mike Webb, with a gain of 3 yards.

Alexander was also stopped by Brock with no gain after Brock had knocked the center loose from the ball.

Webb picked up 8 yards before Price and Breitling brought him down. Johnson made 7 yards before Preston Prichard and Price stopped him.

Johnson again for 5 yards to the credit of Lisle, Whinnery, and Begert.

It was Brock again who stopped the Hawks after a 3 yard gain. Webb made 8 yards before being tackled by Brock.

Okle made 7 yards before Brock and Price brought him down. Okle carried again for 5 yards before Bill Phillips tackled him. Lisle intercepted a Hawk Pass and returned it 10 yards.

Vance made 10 yards before Glen Rae, Hawk quarterback, made the tackle. Price made 2 yards. Vance made 3 yards before Dan Simmons, tackle, brought him down. Price made 2 yards for the first-in-ten.

Bill Phillips made 5 yards. Price made 5. The Eagles failed to move the ball any more, and the Hawks took over on downs.

P.R. Stiles, halfback, made 20 yards for the Hawks on a pass. Webb made 2 before Brock got to him. Webb was shaken up on the play.

Brock managed to get the next two tackles for the Eagles. Canyon took over on downs. Vance made 4 yards.

Price hit Lisle with a pass good for 10 yards. Whinnery

### Perfect Night Before Uprights

# Logan Stars, Buffs Roll

By TROY MARTIN

Saturday night was Logan night again at Buffalo Bowl as Joe Kerbel's charging herd stamped over Coach Bum Phillips' Texas Western Miners 49 to 0.

Jerry Don Logan rammed across two touchdowns -- one of them from 65 yards out on a punt return, flipped a touchdown pass to Woody Gilliland and had a perfect evening before the uprights.

His scoring record in three outings stands at 53 points--probably tops in the nation.

Not only that, but Logan also had one of the best defensive records posted this year by an individual member of the Buffalo team. He scored 22 out of 24 defensive assignments for an astounding 92 percent.

"He did a fine job all the way around," was Coach Kerbel's summation.

"Jerry Don does about everything but take up tickets," the Buff mentor declared proudly.

The Miners, coached by Phillips who is reputed to be one of the great defensive mentors, never were in the ball game.

The ball game was a little more than five minutes old when Logan went around right end on a slant from 19 yards out for the first touchdown.

There was still two minutes, 48 seconds in the first quarter when he took a Mortimer punt and packed it 65 yards for the second Buff marker of the evening.

Still in the first quarter Peter Pedro scored the third Buff touchdown on an end sweep. Deep in the second quarter, Logan passed to Gilliland for a touchdown and the score was 28 to 0 at half time.

Midway in the third period Russell Mundy moved the ball from the 39 to the 5 on two quick opener plays. Pedro went to the 1 on a sweep and on the next play scored the touchdown.

Quarterback Jim Dawson scored his first touchdown of the season on a keeper from the 17 with 1 minute and 12 seconds left in the third period.

Rolando went for the final Buff marker about the middle of the fourth quarter.

Here's how Coach Kerbel sized up his team's performance in the Texas Western game.

Jim Cunningham, Dory Funk and Bob Petrich were standouts.

Jim Ostrander turned in the best job at end. He blocked a punt by Mortimer in the first

## Two Eagle Standouts Are Named

The Canyon Eagle Booster Club at its regular meeting Tuesday selected two Eagles--one for defense and one for offense--as player of the week based on their performance in the Phillips game.

Jerry Vance, 161 pound, senior fullback was designated for special honor on offense. His hard pushing, alert action throughout the game did much to insure the Canyon victory.

Bob Begert, 184 pound, senior end was chosen for his outstanding work on defense. This is Bob's first year at playing high school football.

The Booster Club offers congratulations to the whole Eagle squad on its first defeat of the Phillips Blackhawks.

made 7 before tackled by Jerry Newcomb, quarterback and halfback for the Hawks.

Vance carried 4 times for 18 yards. Lisle picked up 4.

Price attempted a pass to Lisle, but Johnson intercepted the ball for the Hawks. Alexander passed only to get the ball intercepted by Ronny Brock for the Eagles.

The Eagles with a 1 point lead, ran the clock out with 55 seconds left in the game. The final score was 7 to 6.

quarter. It was recovered by Jack Mayfield and set up the second Buffalo touchdown.

"Ostrander is probably the most improved player we have," Kerbel declared.

Kerbel also complimented Gilliland's job at end.

Benny George was credited with having done a fine job in the second half.

Both centers, Charlie Daves and Doc Rowell, came for their share of praise from the head coach.

In the backfield, Jim Dawson was credited with having played a good game. He crossed the goal line with his first touchdown of the season.

Peter Pedro, as usual, was outstanding on the offense. He rolled up 140 yards from scrim-

mage. Pedro ripped off several long runs.

David McInturf, Russell Mundy and Jerry Richardson were commended. Richardson and Hoot Gibson both stood out.

It was another milestone for Kerbel and his Buffaloes. It was the first time since 1956 that the Buffs had rung up three straight victories.

It was the second time in a dozen outings that the Buffs had defeated the Miners. The Buffs won the Miner game last year but in the previous decade had gone down to 10 consecutive defeats before the Texas Western eleven.

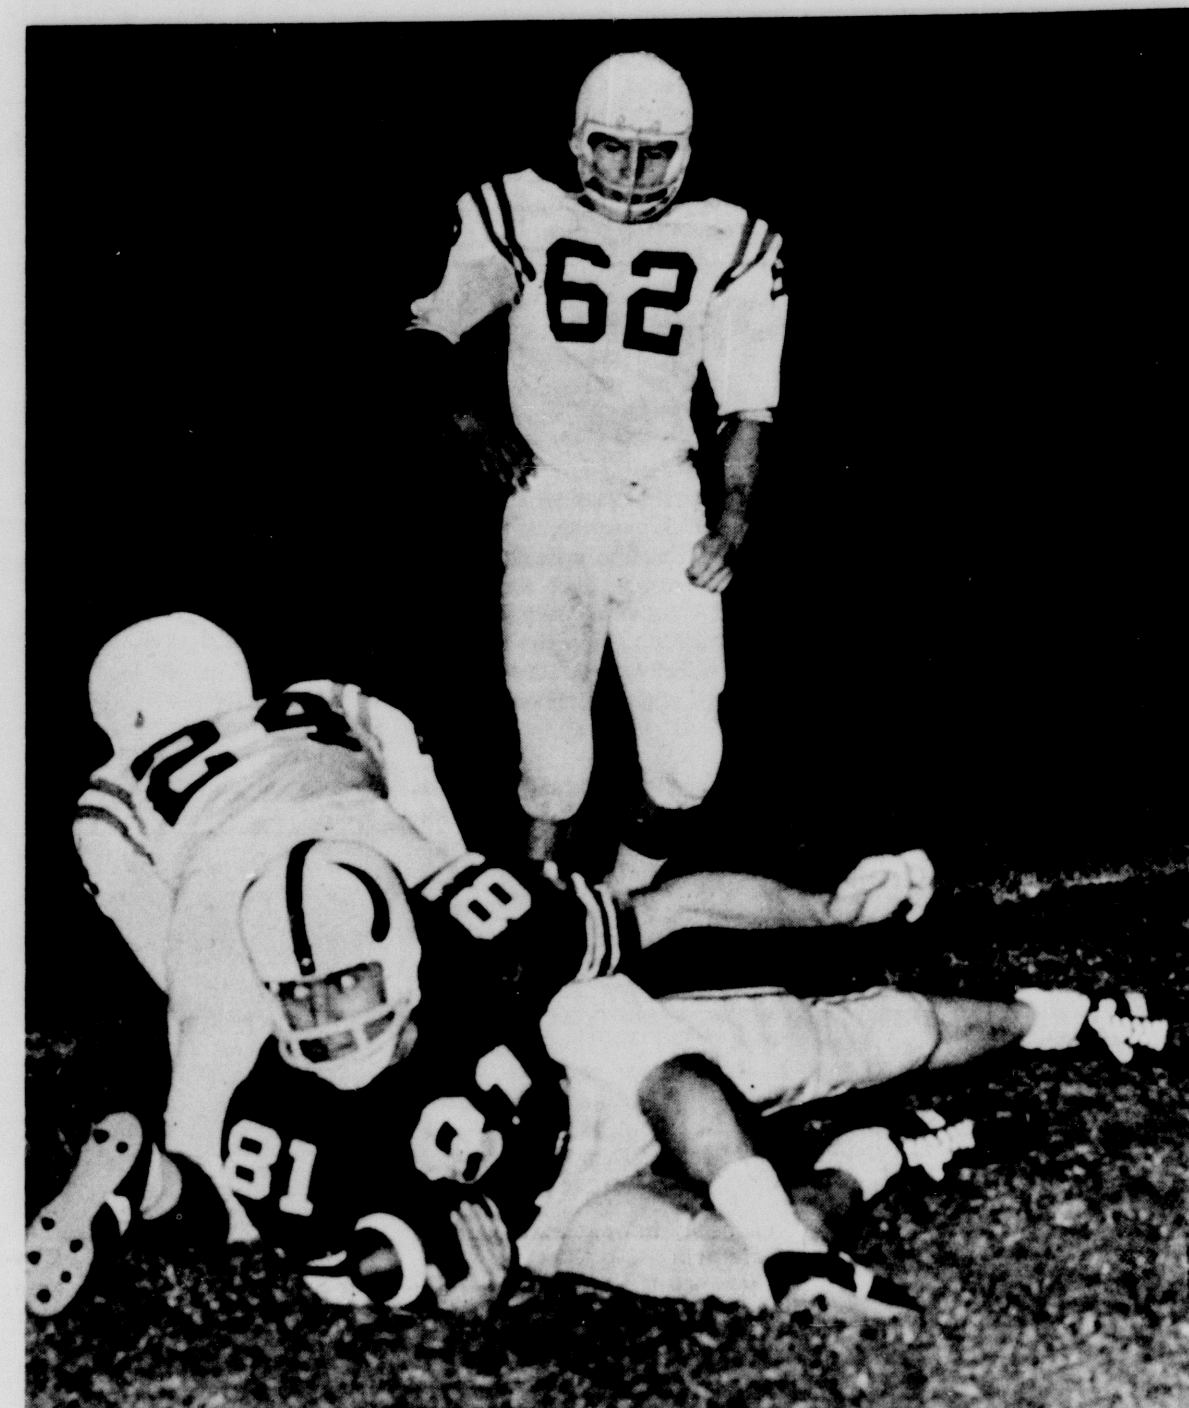

It was a personal victory for Kerbel, whose rivalry with Bum Phillips is no secret in gridiron circles. Phillips is reputed to

be one of the best defensive coaches anywhere, yet Kerbel's charges were able to score almost at will through gaping holes ripped in the Miner defenses.

"We were very pleased," said Kerbel in the dressing room just after the final whistle.

Said Phillips addressing the Buffs: "You have a fine football team. I don't say I enjoyed it but being beaten by you is nothing for another team to hang its head over. You're going places if you continue to play with the dedication with which you played tonight."

Total Buffaloes points scored in three outings comes to 140 while opponents have been allowed only 27.

SAY FELLOWS, WHAT GOES? This is what Leroy Johnston (62), big Miner guard, seems to be asking team mate Bostwick (24) in a pileup

atop Jim Ostrander, (81) Buff end. Actually, Ostrander had just caught a hook pass.

## Homecoming Plans Made

The Canyon Eagle Booster Club started plans for a Homecoming Pep Rally at its meeting Tuesday evening.

The Pep Rally and bonfire will be held Thursday, October 19 before the Eagles first District game with Lockney. All students and townspeople will be invited to attend to give the Eagles a boost to victory in the District.

The seventh and eighth grade football teams, their parents and Coach Winters and Coach Glascock will be honored guests at the next Canyon Eagle Booster Club meeting, October 9, 8:00 P.M. in the High School Cafeteria. Films of the Sunray game will be shown.

Booster members were urged to attend the Sunray game, Friday, October 5 and to be sure to wear their Booster pin all day on Friday. Booster pins may be picked up by members any Tuesday evening at a regular meeting.

## Eagles Take On Sunray In Grid Battle Friday

Canyon's once defeated Eagles thus far this season will be leaving town Friday to play Sunray.

Jeep Webb, Canyon's head coach, said Sunray has a very strong team this year. Webb also said Sunray has a very good running offense and a good passing attack, too. Sunray also has a strong defense for the Eagles.

Eagle head coach said it will be a fight for the Eagles to win, but they can if they will work. Webb said, "They can't rest on what has happened thus far."

The Eagles defeated Sunray last year by a score of 46 to 6. This year Sunray will be playing in their own stadium, and they will be out for revenge.

## D.E. Miller Gets Final \$950 Grant

A final grant of more than \$950 has been awarded David E. Miller of Canyon, now in his third year at Southwestern Medical School in Dallas, from a Cancer Crusade Medical Educational Trust Fund, which was established in 1956.

Miller, a former West Texas State College student, was one of two WT students chosen for awards from the fund. Each student received about \$2,800 each over a three-year period for medical study in "some type of cancer research." The

Webb announced there will be no change in the Eagle's starting line-up this Friday.

The Eagles have much team spirit which will indeed help to keep them on the winning list.

## B Team Nips White Deer

The freshman and "B" teams combined forces Thursday to defeat White Deer's freshman and B teams 14-0.

The Eagle freshman and "B" teams usually don't combine to make one team; however, White Deer didn't have enough players for two complete teams so there was only one game.

Eagle head coach, Jeep Webb, said he attended the game here Thursday, and the younger Eagles looked good.

Webb said the "B" team played most of the defense, and freshman team most of the offense.

Coach Webb said he felt like both teams worked hard to win the victory.

final installment has been awarded to Miller.

The second recipient was Edwin Seaman of Stratford, who has completed work in medical school.

The fund was established in 1956 when proceeds from a telethon on KCNC-TV were placed in the trust fund. More than \$5,000 was raised on the show.

## by Troy Martin Along The Sideline

We understand that J.T. King was quoted as having said the Texas Tech game was like a bowl game to West Texas State and like a scrimmage for the Red Raiders.

Some bowl game!  
Some Scrimmage!

Pete Pedro and Jerry Don Logan make each other look good. It's awfully hard to defense both those boys. If you keep an eye on Pete then Jerry Don is gone.

If you pay a little too much attention to Jerry Don then Pete is gone for the double stripe.

Pedro is the Buffs' top ground gainer by a country mile. He has gained 500 yards in three games--a third of a mile anyway--on 63 carries.

\*\*\*

Jerry Don Logan is one of the best all-around football players (to our notion) that we've ever seen in a football suit.

Joe Kerbel says Jerry Don does everything but take up tickets.

We'll bet he'd do a good job at that too.

We knew another guy alot like Jerry Don once back in Morton High School. He was a country kid named G.A. Davis. We called him Jiggs. Jiggs played every minute of every quarter of the first football game he ever saw. He quarterbacked the team to boot and generated to a district championship that year.

The boy could do anything on the football field or elsewhere.

He joined the Air Force a year or so after graduating from high school. He won a commission as a pilot and was an ace in the Pacific war.

When jets came out he established and held until the time of his death the air to air marksmanship record for jet fighters.

He rose to the rank of major and led a fighter plane outfit in Korea. He shot down 16 MIGS in 14 days and still is referred to by the Air Force as the "Ace of Aces."

The Air Force gave him a chance to come home. They say Jiggs turned it down. He felt he was needed on the front line.

He was shot down as he took on a squadron of MIGS over north Korea and was posthumously awarded the Congressional Medal of Honor--the nation's highest decoration.

\*\*\*

During the game last Saturday night someone took Coach Bum Phillips out on the side lines. We never noticed it when it happened but in the film, there it was.

Phillips was standing very near the sideline as a play swept by him and then WHAM! he was upended.

He seemed to have no hard feelings, though. He wished the Buffs well in the dressing room later.

David McIntuff (32) rambles on a reverse. He is accompanied by Bobby Arthur (60) from Pampa.

The Buffaloes defeated the Miners from Texas Western at El Paso 49 to 0.

## St. Ann's Festival Set Next Sunday At School

The annual Fall Festival sponsored by St. Ann's Catholic Church will be held Sunday in the Canyon Elementary School cafeteria.

A chicken and ham dinner will be served from 11:30 to 2 o'clock. Prizes will be given away at 1:30.

Prizes for the drawing are: 1st, a combination stereo-AM

FM radio set; 2nd, a set of automobile tires; 3rd, a 12 gauge shotgun; 4th, a boy's or girl's 24 or 26 inch bicycle; and 5th, three transistor radios.

The festival is open to the general public. Tickets for the dinner are \$1.50 for adults, and \$1.75 for children aged 6-12 (children under 6 are admitted free), and may be purchased from Joe Frank or at the cafeteria on Sunday.

The Festival is a social gathering held once a year to give

the members of the parish and the surrounding communities a chance to become better acquainted.

Although some of the money may be set aside for a building fund, the Festival is not purely a fund-raising project.

Thomas Depperschmidt, general chairman of the Festival, invites all persons taking part in the Sabin School and eat before or after taking the polio vaccine which will be given Sunday.

## Cancer Society Goals Are Outlined For Year

Dr. Kenneth Waugh, President of the Randall County Board of the American Cancer Society gave a resume of the goals of the Society for the coming year at a meeting of the Board last Thursday in West Texas College Cafeteria.

He said planned program changes for the coming year will

make Society members better informed and more effective.

Dr. Leta Boswell, vice-president of the Randall County Society, said two medical programs will be given this year. The programs will include the showing of films which the Cancer Society feels will have great educational value for the public concerning cancer.

Dr. Boswell said two programs on cancer were given at the staff meeting of Neblett Hospital during 1962. American Cancer Society films on detection of cancer of the colon were shown during these meetings.

The Program Committee Chairman, Dr. Boswell, pre-

## Community Film Series Membership On Sale

The third annual Community Film Series once again presents an outstanding array of recent foreign films.

The films will be shown at the Olympic Theater on the north side of the square in Canyon.

Membership cards (\$1.50 each) may be purchased from any of the numerous salesmen in Canyon or at the Olympic Theater box office on the evenings of October 17-18.

Mail orders should be sent and checks made payable to Community Film Series, Box 176, W. T. Station, Canyon, Texas.

A membership card, present-

ed at the box office the evening of the show, will permit the purchase of one ticket per film at the reduced price of 60¢. Tickets without membership cards will cost \$1.00 each.

This year's schedule is:

1962  
October 17-18: LA DOLCE VITA (Italian, 1961) Comical, crazy, corrupt and tragic view of life in modern Rome.

November 7-8: MURDER, SHE SAID (British, 1962) Margaret Rutherford, the British comedienne, comes on strong as a lady detective in this Agatha Christie thriller.

November 28-29: A SUM-

MER TO REMEMBER (Russian, 1961) A wonderfully warm, good humored and intelligent drama of a child and his parents.

December 5-6: MACARIO (Mexican, 1961) The Mexican woodcutter, Macario, wishes just once to feel no hunger pangs before he dies. His wish is the golden key that opens one of the gloomiest and loveliest volumes in European legend.

February 6-7: A TASTE OF HONEY (British, 1962) Shelagh Delaney tells a story of the Lancashire slums with humor, drive and with a flair for the poetry of wasted lives.

February 20-21: LAST YEAR AT MARIENBAD (French, 1961) An experimental enigma of the screen in which past, present and future are refracted endlessly like the image in a child's kaleidoscope.

March 6-7: THROUGH A GLASS DARKLY (Swedish, 1961) A brilliant analysis of four lives—a father, son, daughter and son-in-law.

March 20-21: LA BELLE AMERICAINE (French, 1962) A running gag about U.S. automobiles by French comedian Robert Dhery.

April 3-4: L'ADVENTURA (Italian, 1961) Visual poetry out of the vacuum of modern life as spent by some wealthy but emotionally bankrupt Italians.

April 17-18: ONLY TWO CAN PLAY (British, 1962) Peter Sellers plays a Welsh librarian who finds all sorts of interesting things between the covers.

Several changes in show times will make attendance more convenient. There will be two feature showings at 7:00 and 9:00 except LA DOLCE VITA which will be shown at 6:30 and 9:30. Films will be shown on Wednesday and Thursday evenings.

EUGENE S. BLASDEL

JAMES T. O'DONALD

## Canyon Marines Complete Boot Camp

San Diego, Calif. (FHTNC)—San Diego Private James T. O'Donald, son of Mr. and Mrs. Cecil W. O'Donald of 1210 Eighth Ave., Eugene Blasdel, son of Mr. and Mrs. Lionel Blasdel of Rt. 2, Canyon, completed recruit training recently at the Marine Corps Recruit Depot, San Diego, Calif.

The 11-week training course covers physical conditioning, the history of the Marine Corps, customs and sanitation and other military subjects.

The new Marines will report to Camp Pendleton, Calif., for individual combat training.

## Club Announces New Officers

The Highland Home Demonstration Club met with Mrs. John Plank on Wednesday, September 26 for its regular meeting. Miss Sally Fields, County Home Demonstration Agent gave a demonstration and talk on the use of accessories.

Refreshments were served to the six members and two visitors present.

Officers for the new year are Mrs. Myrna Lamb, president; Mrs. Syble Hudson, vice-president; Mrs. Verna Boydston, secretary-treasurer; and Mrs. Neoma Plank, council delegate.

## Juniors Top Thousand In Sale

Canyon High School Junior class earned \$1,147.00 through selling Curtis Magazine subscriptions during the past two weeks.

The top salesman who sold over \$100 worth were: Arthur Hale, Barbara Hall, and Bill Long. The boys won transistor tape recorders, and Barbara took \$15.

Sales extended over a ten-day period. Almost everyone in the class sold at least two subscriptions.

The money earned will be used to pay for the junior-senior banquet and other activities during the year.

## Five Canyon People Will Receive Pins

Five Canyon employees of the Southwestern Public Service Company will be among 114 from the Company's Panhandle Division to be honored at the 14th Annual Service Awards Dinner October 11th.

The dinner will be held at the Holiday-Vic Mon, and A.R. Watson, President and General Manager, will make the awards presentations.

W.M. Thompson will be honored for 25 years service, while a 15 year award will go to Harold W. Eakes. C.A. Butler, Jr. and Joe Hawkins will be recognized for 10 years service, while Wiley James receives his first award, for 5 years.

The 114 employees to be honored at the banquet have a combined service of 1495 years, with the top award, for 40 years, going to V.R. Wilson of Dalhart.

## C.W. Morton Dies At Home Near Happy

Charles Wesley Morton, 86 years old, Happy, died Friday of last week at his home 10 miles east of Happy.

Mr. Morton had lived at Happy for the past 6 years. He moved there from Baird.

Mr. Morton was born September 12, 1876 in Eastland. He was married December 27, 1899 at Snyder. Mrs. Morton preceded him in death.

Mr. Morton was a retired farmer. He was a member of the Methodist Church.

Funeral services were held Saturday afternoon in First Methodist Church of Happy. Officiating was Rev. Walter Hadley, assisted by Rev. Bill Pearce.

Burial was in Happy Ceme-

tery under direction of LaGrone Funeral Home.

Pallbearers were W.T. Robinson, Talton Loring, Bruce Fields, Villo Danner, Newton Morton, Jimmy Pearson, A.C. Morton and George White.

Survivors include two daughters, Mrs. Nina Oliver of Indio, Calif., and Mrs. Copus Boyd of Happy; a son, C. O. Morton of Baird; and five grandchildren and eight great grandchildren.

## Teachers Will Attend Convention

Six members of the speech department at West Texas State College will attend the annual convention of the Texas Speech Association and the Texas Speech and Hearing Association, which opens Thursday in San Antonio.

From WT are Dr. Crannell Tolliver, head of the department, Dr. Jack Walker, Dr. Wendell Cain, Gene Lewis, David Lipscomb, and Mrs. Zell SoRelle.

Representatives of junior and senior high schools and colleges and universities from throughout the state will attend the three-day sessions.

The Texas Speech Association convention will feature Gertrude and Robert Breen in a drama duet and sessions on theatre, debate, radio, and television.

Shulamith Kastein will speak on education classes for children with language disorders at the meeting of the Texas Speech and Hearing Association. Also on the program will be a visit in the audiology laboratory and hearing diagnosis center at the School of Aerospace Medicine at Brooks Air Force Base.

## Class Plays Out At CHS

A committee composed of members of the Junior and Senior classes, and representatives from the Music, Speech and Art departments have decided that the junior and senior plays should be dispensed with as such, and in their place would be substituted one Thespian play, and one all-school play or musical.

It was also decided that the money made from the Thespian play would go to the Thespian Troupe, to be used for various activities throughout the year. The profit from the all-school play would go into a production fund, to be used as needed for the production of plays.

Characters are to be chosen from the school as a whole for both plays.

These productions will be handled by the Speech, Art, Band and Choir departments, with the help from various individuals.

Student and faculty representatives were: Frances Kiker, Elo Meyers, and Mr. Edward Dwyer from the Senior class; Mrs. Royal Brantley and Mr. Walton Bagwell and Kenneth Brown, Linda Adair, Janie Burk and Doris Smith from the Junior class; Bob Haggard, the Art department; Mary Ann Wheelock and Wam Moore, the band; Mr. Gene Murray, the choir; and Mrs. Lee Foster, the Speech department. Principal James E. Miller served as chairman of the committee.

## PTA Room Visiting Held Here

Room visitation for third and fourth rooms at the elementary school was attended by some 150 parents last Thursday evening.

Preceding the visitation, regular session of P-TA was held in the all purpose room with Mrs. K. E. Hines presiding. Raymond Raillard presented a report of the project committee concerning purchase of a grand piano for placement in the high school auditorium.

The instrument, he pointed out, would be a project of not only P-TA, but other groups in the community. The project was adopted.

Mrs. Troy Martin presented a resume of programs planned for each month during the school year, and H. M. Johnson made necessary announcements. Devotional was offered by Dr. J. B. Roberts.

Third and fourth grade teachers were introduced as follows by Principal Oscar Hinger: Mesdames Libby Reed, Mollie Edwards, A. K. Goodman, Earline Moreman, Alma Perkins, Frances Duncan, A. B. Holt and Huville Brasher.

## Wright Is Named

Several Panhandle citizens were elected to the State Board of Directors of the American Cancer Society's Texas Division at their Amarillo meeting last Tuesday.

Charles E. Wright, Associate Professor of Biology at WT, Dr. James C. Glenn, an M.D.,

## SCD News

Droughts in the Plains will come again. You may get enough rain in most years to make a crop if it falls at the right time or can be conserved. You may however, get only hot-high winds when you want rain.

Our history shows droughts on the Plains about once every 20 years. The early explorers who crossed the Plains during wet periods wrote of an ocean of lush grass, but those who crossed during droughts called it a desert. The maps prior to 1860 labeled the region the Great American Desert."

Droughts are recorded history in 1890, 1910, 1917, 1930's and the 1950's most of which lasted several years. Local droughts occurred between these general drought periods.

The damage is the loss of top soil from soil blowing which was so severe in the 1930's that the area received the name "Dust Bowl." This blowing damage can be prevented if the land is kept in shape and covered before and during droughts.

The land being cultivated which is unsuitable for that usage should be converted to other uses such as grassland. Conservation practices for increasing soil intake and retention of moisture should be used on the crop-land.

In short the land use should fit the land capability and all practices which will give better soil, water, crop, and range management should be carried out.

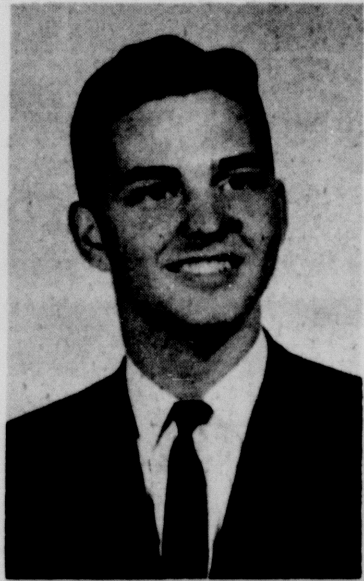

In the most recent droughts farmers who have practiced conservation have proved its value. These men were not trapped by the idea that favorable conditions would last continually. Dust clouds and soil damage can be prevented but the preventive work must be initiated before the drought hits.

## Senior Citizens To Meet October 5

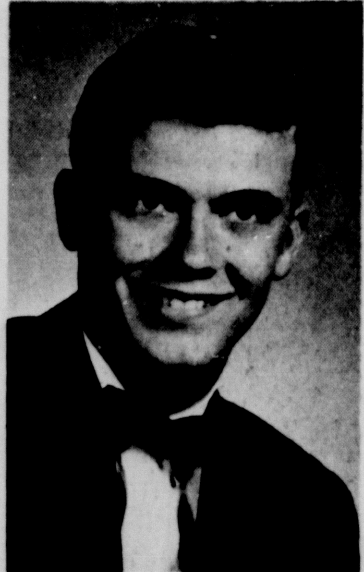

Senior Citizens will meet on October 5 in Fellowship Hall of the Methodist Church. Anyone needing transportation should call E. Cohen Penick at OLS-3576.

## Youth Meet At Calvary

Calvary Baptist Church of Canyon has invited Howard Jones Jr., and Tommy Lyons, both of Amarillo to lead the preaching and singing at the Calvary Baptist Church's Youth-Led Revival to be held October 5th, 6th and 7th.

TOMMY LYONS

HOWARD C. JONES

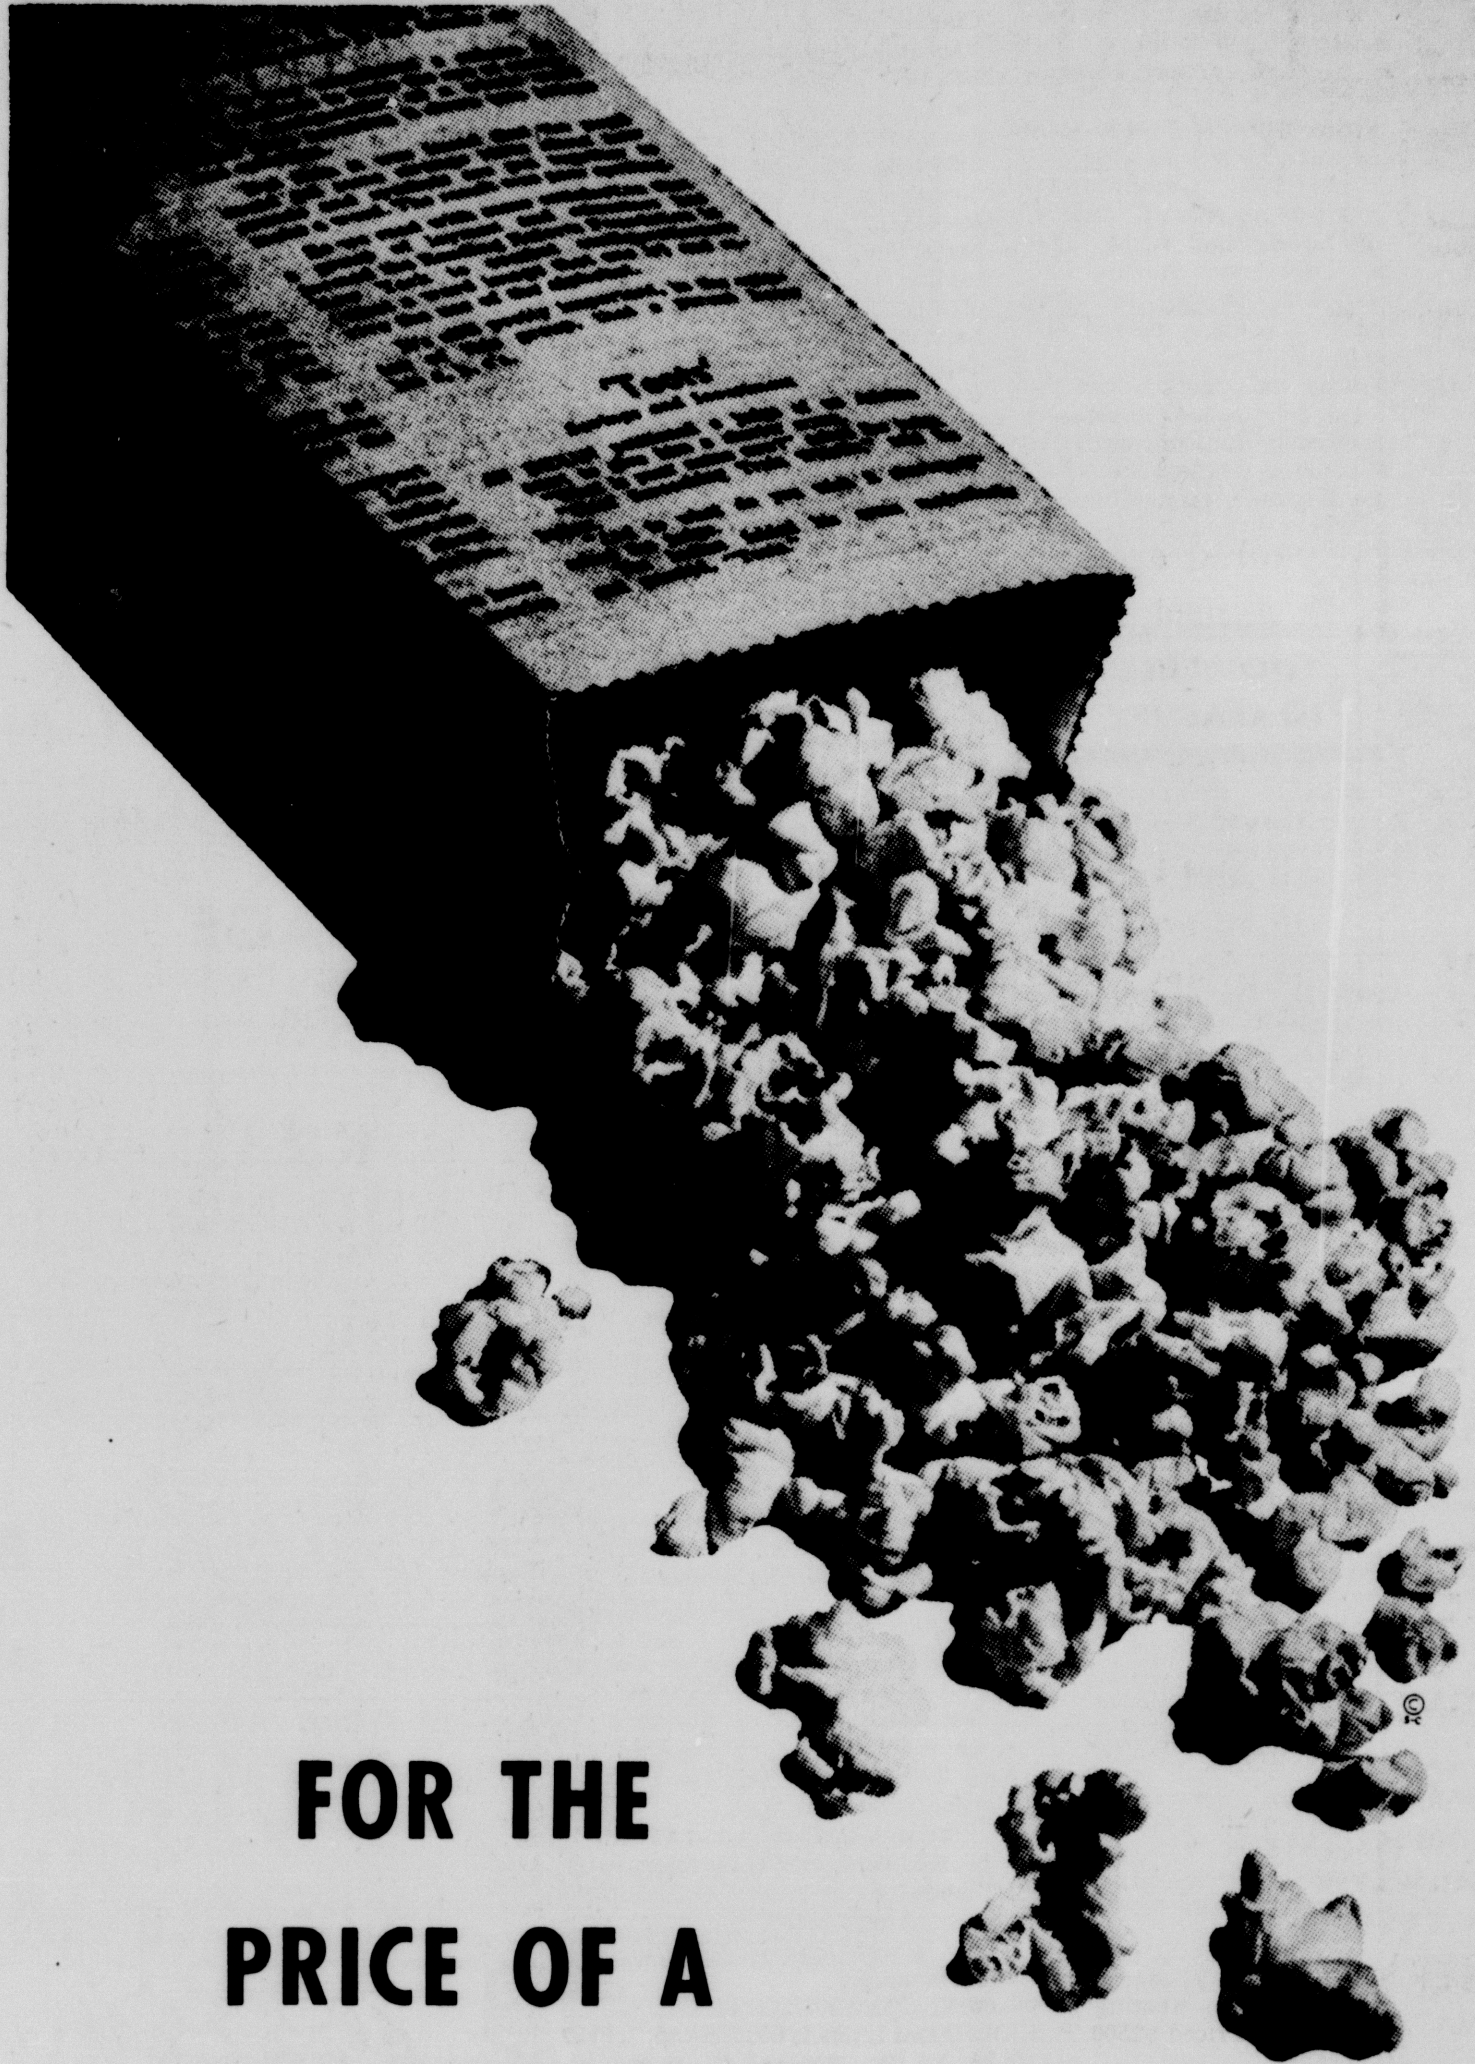

Howard Jones Jr. is the son of the Pastor of Pierce Street Baptist Church of Amarillo. Howard is a junior student at Wayland College in Plainview.

Lyons, also a student at Wayland is the son of Howard Lyons, Pastor of Tascosa Baptist Church of Amarillo.

Jones was asked to lead the preaching and Lyons to direct the music for the revival.

Services will begin Friday evening at 7:30. Saturday night preaching will begin after a 5:45 supper followed by a youth rally at the Temple Baptist Church in Amarillo at 7:30 p.m.

from Amarillo and Mrs. Jack Foster of Pampa were elected to the board representing the 20 counties in District Three-North.

NOTICE TO CONTRACTORS OF RANDALL COUNTY HIGHWAY CONSTRUCTION

Sealed Bids addressed to E.T. Cummings, County Auditor, Randall County, Canyon, Texas, will be received at the office of the County Auditor and/or the Commissioners' Court until 2:00 P.M., October 15, 1962, for furnishing all plant, labor, materials and equipment and performing all work required for the construction of 8 miles of Flexible Base Course and Asphalt Surface Treatment on County Roads located as follows: Section 1, beginning at the North end of F.M. Hwy. No. 168 and extending West 3 miles and Section 2, beginning 4 miles South of Bushland, Texas, and extending West 5 miles in Precinct No. 4, Randall County, Texas.

All proposals shall be accompanied by cashier's or certified check upon a national or state bank in the amount of 5% of the total maximum bid price or a bid bond in the same amount from a reliable surety company, as a guarantee that the bidder will enter into a contract and execute performance bond within ten (10) days after notice of award of Contract to him. The notice of award of contract shall be given by the Commissioners' Court of Randall County, Texas, within ten (10) days following the opening of bids.

The successful bidder must furnish performance bond upon the form provided in the amount of 100% of the contract price from an approved surety company holding a permit from the State of Texas to act as surety.

The right is reserved, as the interest of the County may require, to reject any and all bids, and to waive any informality in the bids received.

Plans, specifications and bidding documents may be secured from the office of Harvey W. Schmidt, Consulting Engineer, 221 Paramount Bldg., Amarillo, Texas.

The minimum wages to be paid on the work included in the proposal shall not be less than the minimum wages required by the Texas Highway Department for similar work.

Bidders shall inspect the site of the work and fully inform themselves as to all conditions and matters which can in any way affect the work or the costs thereof.

## Bowling Popular Sport

Judging by the number of leagues signed up for fall competitions and playoffs, bowling has become a pretty popular activity in Canyon.

That seems to be the opinion also of one Eddie Knowles, builder, owner and manager of the Canyon Bowl south of town on Highway 87.

Knowles says it looks like there has been more interest in bowling since he built the Canyon Bowl in 1959.

Eddie says he thinks the Canyon Bowl is the most popular sports center in Canyon. He would also like to see every one in Canyon come out and visit with him if only to say hello.

"I'm glad to be a part of the progress of Canyon, says Knowles." He added that "We need the help of Canyon in order to grow with the city."

When asked what features

Canyon Bowl has to offer the bowling family, Knowles said that in addition to the actual bowling allies and league play, Canyon Bowl has added a color television set for the entertainment of the kids and non-players.

In addition to all these attractions, Knowles said the Canyon Bowl offers free bowling lessons by certified instructors who are at the allies at all times.

Owner - manager Knowles said the Canyon Bowl is considering a "Bowling Bus Express" to make four trips a day between Canyon and the ten-pin center.

A listing of the various leagues playing during the coming year reads like a college catalogue. It is as follows:

Saturday morning -- mixed Bantam and Junior League. Monday 9 & 10:00 - WTSC Men's Phy. Ed. Class. 6:15

p.m.-Buffalo League. 8:15 p.m. Canyon Businessmen's League. Tuesday 11:00 a.m.-WTSC Women's Phy. Ed. Class. 2:30 p.m. - WTSC Women's Phy. Ed. Class. Tuesday 8:00 p.m. Canyon Women's Twilight League.

Wednesday 9 & 10:00 a.m.-WTSC Men's Phy. Ed. Class. 9:00 a.m.-Women's Coffee Cup League (made up of beginning bowlers) Wednesday 8:00 p.m.-WTSC Mixed League (made up of married and single couples).

Thursday 11:00 a.m.-WTSC Women's Phy. Ed. Class. Thursday 2:30 p.m. - WTSC Women's Phy. Ed. Class. Thursday 8:00 p.m.-Canyon City League (made up of 12 teams)

Friday 9 & 10:00 a.m.-WTSC Men's Phy. Ed. Class. Friday 8:00 p.m.-Friday nigh Couple's League.

Owner - manager Knowles said most of the leagues he has playing at Canyon Bowl have been enjoying the sport

for more than four years.

He said a WTSC Dormitory League is to be organized next week and is to be made up of men's and women's teams from the individual dorms. Teams will have 5 players each.

Knowles also said a WTSC Faculty Department League will be organized at the same time. It will be composed of WT Faculty members and student majors from each department.

He adds there will be 3 players per team and 12 teams, one from each department.

Knowles said, "We are needing sponsors for these teams. The sponsor fee will be \$5.00 per shirt for each member of the team. With 3-5 players per team, a sponsorship will cost \$15.00 to \$25.00 per team."

"The shirts have the name of the sponsor's business on the back and should last 2 to 3 years," he said.

## I'd Be Editor

(Guest Editorial)

(This editorial was written by Miss Margo Williams who did intern reporting for The Canyon News last summer. Margo plans to return to The News as soon as her senior year at Oklahoma is finished.)

One of the greatest advantages a town has is in having a newspaper that is owned and edited by a single man. The main advantage in the editor and publisher being one and the same is there is no need of consulting another person or persons about the editorial views of the paper.

The editorial page of a paper expresses the feeling of the newspaper, and the people of a community want to know who feels how about a situation.

If the editor and publisher are different persons the community can not be certain where the paper stands concerning various campaigns or issues, thus the community will have some hesitation in trusting the newspaper.

An ideal paper and location for me is the CANYON NEWS in Canyon, Texas (population near 6,000). If I owned the paper I would remain editor for several reasons. One reason would be that I enjoy the news side of the newspaper. But the second and possibly the more important is the knowledge that I would set editorial policy. The people of Canyon would know definitely what position the paper would have on various issues.

An editor's job is to build the public's confidence in the honesty and integrity of the newspaper. This can be achieved several ways: one, through careful and extensive news coverage, second, through unprejudiced reporting and, thirdly, in explaining what an event means in terms of the community. Once these three steps have been taken, the editor may comment on an issue, campaign or situation. If I took one side of an issue I would be prepared to state my views, give my reasons and be fair in having others do the same.

An editor has the ability to improve a town and I feel that if I not only owned the newspaper but also worked on it, which means working closely with the people in the town, I would be able to guide (perhaps indirectly) the actions of the town toward constructive goals.

Margo Williams  
Senior at Oklahoma University

## Letter To The Editor

Dear Editor:

Just a word in regard to Randall County retaining those mechanical monsters called voting machines. We don't need them.

The hideous things look like slot machines and for the few dollars each year they are used they will eat up money faster than the best of those one-armed bandits.

The transportation, insurance and storage on them between elections will run into quite a sum each year to say nothing of the first cost which I believe will come to 60 or 75 thousand dollars.

They are too high-priced for our county and in the past elections this year they have proved to be more of a nuisance than a benefit.

No telling how many voters have gotten excited facing those iron-clad monstrosities and pulled the wrong lever. Nothing like a man getting a printed ballot and retiring to a corner table and there taking his time, mulling the whole thing over and leisurely picking out his favorite candidate.

I saw one man remain in the cage half an hour keeping a two thousand dollar machine tied up and about a dozen men and women behind him patiently or impatiently awaiting their turn.

From what I have seen I don't think they speed up the voting at all. Perhaps in a very large precinct they would speed up the totaling of the vote somewhat, but what will that benefit us. The loser would merely know his fate an hour or two sooner where with the old time ballot he could at least hope a short time longer. The winner by waiting a short time longer, would learn to more appreciate what we the people had done for him and as it sometimes

happens here in Texas, when everybody and his dog take a notion to stand for office one would doubt the capacity of those machines handling the mile-long ballot.

Furthermore, even some candidates waste time on the darn things between elections. A few months back in the bank where I had gone to renew my note, I saw a candidate trying to shake hands with and electroneering one.

As for saving help at the polls, the machines just seem not to do so and even if we could cut down on the help by a few persons at each box, the overall saving would be as nothing when compared with the cost of the machines, their transportation, insurance and storage, onsolesence and repair, especially as we don't pay those people much for holding an election, and what we do pay them would amount to at least keeping the money at home.

I know we already have an investment in those machines to the amount of rental for the current year, but why send good money after bad?

Why not stop where we are, take our loss and mark it up to experience. Sort of like in my younger days I purchased a mule in the dark. The owner assured me that the mule's age was right, so I gave him a \$10 bill to hold the mule until I could bring him the balance of \$90 the next day and pick up my bargain.

Well, when I saw that mule in broad daylight I just pocketed my \$90, told him to keep the ten and the mule walked off.

That mule was half blind in one eye and could see but little out of the other, had a spavin on one leg and a sweeny on the other shoulder, while the other leg had a nasty wire cut, so I just said goodbye to the \$10 bill and walked off, chalking it all up to experience.

What price experience? Experiences are costly but

by Troy Martin

## FROM THE CANYON RIM

Two headlines caught our attention in The Hereford Brand Sunday.

One said "Area Leads in Race for Beets." The other was "Rogers Blasts Critical Groups."

Now, Walter, wouldn't it be nice if no one were ever critical of you?

You folks at Hereford, don't question Walter's vote against the sugar beet bill which could bring you a multi-million dollar industry. He might class you in one of those mean critical groups.

Walter voted against the sugar beet bill all right. We have his news letter of July 8 in front of us. Here's how Congressman Rogers alibied on that one:

"My vote was cast against the sugarbill in its final form because, although we did gain ground as pointed out, we did not get all we were entitled to and I shall continue my fight until that time comes."

We simply cannot visualize Rogers carrying Hereford in November after that.

If we learned our history and government well back in school, it is the duty of the Congress to enact law, the duty of the Supreme Court to rule on constitutionality of law and the duty of the President to execute law.

It is not the duty of the President or the Supreme Court to make law.

Powers not vested specifically in the federal government by the Constitution are reserved to the states. If it is time for the states to surrender under the rights granted them under the Constitution, then why isn't a law to that effect passed by Congress?

The fact of the matter is that Congress has given up much of the power to legislate vested in them by the Constitution.

For the past three decades the executive and judicial departments have been enacting law without consulting the men and women elected to represent

they give a good lesson and now, while I will not fall out with anyone for voting to retain those steel-plated, hydra-headed monsters, yet for my part I shall vote against it. This is if I can, as Lil Abner would say, learn to manipulate this educated mess O'junk to that effect.

And now, Mr. Martin, just because I might agree with you on this issue, don't get any funny ideas in your muddled head. I am a loyal American, Ralph Yarborough and Walter Rogers Loyal Democrat, a believer in the future destiny under God, of the human race, and like Tom Jefferson and Abe Lincoln before me, I have no use for man-made religions, mostly propagated to serve some ulterior purpose and prove the other person wrong.

Farmer Schaeffer (Farmer, we can't understand why you turned the mule down. Your support of the Democratic Donkey, in spite of the Los Angeles manifesto, proves you'll embrace a jackass, no matter what shape its in. TM)

the people in the halls of Congress.

All these points were clearly made in the Monday morning issue of The Amarillo Daily News in an editorial written by Louise Evans. She did a masterful job. If you haven't read her editorial we strongly advise that you do so.

Dr. James P. Cornette made a fine speech last Saturday evening at a gathering of area bankers and publishers on the campus at West Texas State College.

The West Texas State president openly took to task the people in state government who, through a false sense of economy, are thwarting education in this state.

We appreciate the courage with which the talk was made. The people about whom the WT president was talking have the power to cut off Cornette's pay. He said things which needed to be said.

It is no secret that we have been critical of some of Dr. Cornette's actions in the past and may be in the future. This is all the more reason we hasten to commend him on a job well done Saturday night. We were impressed. We think the others who heard him were also.

We were in Tripoli in 1945 when bloody race riots swept that city. We have never witnessed anything more sickening than neighbor pitted against neighbor.

In such a situation reason is completely thrown to the winds. Women and children were beheaded, men were hanged from street lights, property wantonly was destroyed.

It was not a pretty sight. A century scarcely is enough to heal the wounds of an area struck by such a catastrophe.

The United States must never come to this. If we are displeased with the way our government operates, we must exhaust all legal means to change it. The most formidable tool we have is in our ballot. We must use it.

The most important phases of our government may be found in our city hall, school board meetings and the county court house.

How few people pay any attention at all to them. A budget hearing was held recently by the Canyon school board. The hearing was announced well in advance. Yet, not a single person showed up.

The same was true of the county budget and probably will be true of the city budget. If we pay so little attention to local affairs in which each of us could play a personal role, how in the world do we expect to keep our nation on the right track?

We make a point to have a staff member present at all meetings of the school board, commissioners court and city commission.

We are vitally interested in what goes on here at Canyon. We are now in the process of working out a plan by which The

by D. M. Lipscomb

## Your Better Hearing

Many times a year, a child is brought to me for hearing evaluation because his parents or teacher or both feel his hearing is poor. In my test, I find that his hearing is normal. The question then asked is, "But why doesn't Johnny respond when I call him?"

To many youngsters between the ages of five and ten, there is nothing less important than what his parents or the teacher is saying. They more or less shut out things of less interest to them in favor of pleasant day dreams, their favorite television cartoons, playthings, etc.

The best explanation of why children overdo selective hearing is that they are simply practicing it and learning how to use this necessary listening skill.

Most parents notice that when a child learns something, he tends to overdo the newly learned activity. If he learns a new word, he attempts to insert that word into sentences where it just does not belong. If he learns a new trick, the same thing happens until the parents sometimes wish he never learned anything new.

The child learns that he must disregard some of the environmental sounds. He finds that it is all but impossible to give strict attention to the conversation of playmates, the sound of traffic, the airplanes overhead, parents' calling, etc. He finds that he must concentrate on only a few of the sounds at one time.

He then tends to blot out all

Canyon News will have representation at meetings of the governing board of West Texas State College. We hope by this means to stir more interest in local affairs among our readers.

but one sound at a time. This is replaced in time with practiced listening ability. By this, I mean, he has certain requirements for one sound to be more meaningful than the one he is currently attending to.

It takes practice and parental guidance to impress on the child that mother's dinner call is more important than the wild west show he is currently watching on television.

In time, the youngster establishes a set of values for most of the environmental sounds. The warning sounds are given first priority. For example, if he is talking with a friend in the street, he soon learns that it is more important to abandon this conversation in favor of the noise of a car bearing down on them.

Next in order are the social sounds of parents or playmates. The least priority is given to basic functional sounds which are neither social or warning. These sounds are the ones made by the air conditioner, and other general building appliances.

The challenge which lies in the face of the parents is that they must guide the child's development of selective hearing in such a manner that he does give priority to the proper sounds. One of the best methods of assuring proper guidance is to be a good example to the child.

A pleasant little game which can be played with a child is to have him sit quietly and list the various sounds he hears. You will be amazed at the number of sounds we have in our environment. Usually, in the normal household, one can sit quietly and pick out an average of 17 sounds.

Selective hearing is one of the very most important areas to be developed in acquiring proper listening habits. It is imperative that the parents give this training a good deal of consideration.

The Canyon News wants your news. Telephone OL-52141, or stop by the News office.

by Dr. J. A. Hill

## Hilltop Views

A boy is a young two-legged animal that hopes some day (to him it seems a distant day) to be a man--the sooner the better, he thinks. Never saw one of these little tads that didn't want people to think he was more like a man than he really was. Even in his middle teens, if not earlier, he often resents being thought of as immature. He considers himself wholly capable of making adult decisions and doesn't want anybody ordering him around.

Also, in most cases, the little animal, consciously or unconsciously, is watching, admiring, perhaps imitating one or more of the adult patterns about him--maybe his dad, or the man across the street, or the grocer where the family trades, or the banker, or the doctor, or an athletic coach, or possibly some man whom he has never seen--only heard of or read about. But somewhere there is a man, possibly several, who challenges his admiration and has much to do with determining the quality of his life and the lives of his countrymen.

These facts, which derive from the nature of boyhood, are tremendously significant in the education of youth, possibly doing more to determine the quality of citizenship than does all the formal instruction in morality and patriotism. Also, they place great responsibility on every man of us for the future of our country, for juvenile potential is well-nigh limitless.

Even in the little dirty, ragged, tousled ragamuffin from a hovel of poverty is the possibility of a Lincoln or a Capone, and you and I as adults cannot escape responsibility for the course the youngster takes.

To point up what I am trying to say I quote below a wonderful statement which appeared some years ago in the little publication called Scouting. Its author was Forest Witcraft.

"I am not a Very Important Man, as importance is commonly rated. I do not have great wealth, control a big business, or occupy a position of great honor or authority.

"Yet I may some day mold destiny. For it is within my power to become the most important man in the world in the life of a boy. And every boy is a potential atom bomb in human history.

"A humble citizen like myself might have been the Scoutmaster of a troop in which an undersized, unhappy Austrian lad by the name of Adolf might have found a joyous boyhood, full of the ideals of brotherhood, goodwill, and kindness. And the world would have been different.

"A humble citizen like myself might have been the organizer of a Scout troop in which a Russian boy named Nikita might have learned the lesson of democratic co-operation.

"These men would never have known that they had averted world tragedy, yet actually they would have been among the most important men who ever lived.

"All about me are boys. They are the makers of history, the builders of tomorrow. If I can have some part in guiding them up the trail of destiny, on the high road of noble character and constructive citizenship, I may prove to be the most important man in my community.

"A hundred years from now it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove. But the world may be different because I was important in the life of a boy."

# FREE WIRING AND SATISFACTION GUARANTEED!

■ That's right -- you can have your new electric range wired in free, try it out for 60 days, and then if you're not completely satisfied, your participating Reddy Kilowatt dealer will refund the money you have paid.

It's a great opportunity for any Southwestern Public Service Company customer living in a one or two family dwelling to try this modern way of cooking, and your dealer is so sure you'll like it that he is making the free wiring offer with built-in satisfaction guaranteed.

See your Reddy Kilowatt dealer this week, and tell him you want your new electric range installed -- you can't lose!

North Randall News

The band from Panhandle really put out some fine entertainment during half-time at the game between WT and Texas Western last Saturday night! The formations plus the numbers played were not of the ordinary. Too, the action of the baton twirlers was like clockwork. Hats off to them and their bandleader!

Mrs. Tom Dettin (our reporter for the past several months) will not be writing our column anymore. She has done much for the North Randall County Girl Scouts and we'll miss her a lot. Thank you, Mrs. Dettin for all the time and effort you have extended to us!

Now that the 1962-63 school season has gotten underway, let's all get behind the teachers and schools and give them a boost by attending all the PTA Meetings this year. Compared with the time that our children are in school and with their teachers, the PTA meetings

take so little of our time and can work wonders with the attitude our children have toward school. How about it? Will there be 100% from our area?

Mrs. Virgil Knight has recently been released from Northwest Texas Hospital where she had undergone surgery. Understand she is doing fine now. Speedy recovery, Mrs. Knight!

The Bill Harps spent an enjoyable week-end visiting relatives. They were guests in the homes of Mr. and Mrs. Kinch Leathers and Mrs. A.J. Harp of Clarendon. They went on to Memphis and also visited Mrs. Ruby McDowell and Mr. and Mrs. Wayne Hutcherson and family.

Rhonda Johnson won "Cub Reporter" for the most new items turned in to this column during the summer months. Rhonda is an intermediate Girl Scout. It takes time and effort to collect the items and she has

worked hard to achieve this merit. Thank you, Rhonda!

Mr. and Mrs. Ralph Helyer and two-year-old son, Scott, were recent visitors in the Charles Fowlkes home. The Helyer's (now living in Amarillo) just returned from a visit to their native land, Cardiff, South Wales, Great Britain.

Those visiting in the M.B. "Farmer" Brown home recently were Mr. and Mrs. Buck Word of Dimmitt, Mr. and Mrs. Jerry Blaylock of Muleshoe, Doyle, Doris and Patsy Thomas, Frank and Thelma Bounds, J.V. Moore, Mrs. Billy Brown, Faye Ann, Barry and Linda.

KEEPING UP  
WITH THE  
ARTS

This seems to be another season for tole painting to be in full swing. Webster and the new tole painters would hardly agree on the new styles of tole painting being done.

Webster's Dictionary describes tole painting "as a type of lacquered or enameled metal ware, popular in the eighteenth century and reproduced today in the form of trays, lamps, etc. It is commonly dark-green or black with gilt decoration."

But painting anything tin seems to have become the rage. I suspect the antique dealers are glad to be unloading all kinds of tinware these days. Good luck to the tole painters.

One of the most enjoyable trips (for tin) or just to browse around could be to Goodnight, Texas to the barn of Mrs. W.M. Boston. She may have moved in four registered cows by now, but there are still many items of interest to see and you will feel so welcome and enjoy the visit, too. Just ring the big bell by the barn door.

IBM's famous 1401 computer now offers personal questionnaires to ladies who are undecided on the selection of china, silver and crystal. In four seconds this machine whips through 57,428 possible combinations. (Wonder if there is any guarantee to absolutely please!) Most people who couldn't make their own decision would probably never be satisfied with the machine's choice!

If you plan a trip to New York, you might wish to contact a Mrs. Dene Ulin, 450 East 55 Street, New York 22. She will guide an art lover

through New York's top galleries and introduce you to a few artists who wish to sell their work privately. She will also send photographs of art work. The gallery or painter pays the fee for the service. (This is a service for those interested in purchases.) Many of the galleries and art shops in New York close for the months of July and August.

Now is the time to start thinking about making something for Christmas giving. If you don't start now, remember how time flies by! It's lots of fun to have a project started even if you only get to work on it once in a while.

Westside  
4-H Club  
Has Meet

The Westside 4-H Club met last Thursday afternoon in the Junior Livestock Building.

Miss Sally Fields, Randall County Home Demonstration Agent, outlined the program for the coming year. The club's regular meetings will be held the third Thursday of each month.

Mrs. Lewis Tucek, Westside 4-H Club Leader served refreshments to the following new and old members: Cheryl Fullerton, Bonnie Schomp, Kay Olson, Rosanne Olson, Marjorie Dettin, Roxie Knox, Linda Hales, Leta Cranmer, Connie Brazzil and Cindy Gruner.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

Mr. and Mrs. E.H. Wright and Mr. and Mrs. Noah Amason went to Tulsa Friday where they attended the funeral services for William Malone.

The Canyon Eagle Booster Club believes football can help preserve free enterprise by teaching youth the joy of competition.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL5-2141, or stop by the News office on the west side of the square.

# Moby Dick Likes Job As Trainer

It's almost like a reunion of the high school football team for a group of Odessa boys when the West Texas State Buffaloes take to the field. There's Dock Rowell, Jack Mayfield, Leslie Rolando, Hoot Gibson and Raymond Adams, all from the Broncho squad. The thing that makes it seem so much like home, though, is trainer, Les Brewer, better known in Canyon circles as Moby Dick.

The man who hung the nickname onto Brewer was Dale Williams, who played ball for Texas Western last year. He was playing at Ector in Odessa and Moby was manager

when he dubbed him Moby Dick. If you remember, Moby Dick was the name of the great white whale in the story of that name. West Texas State's Moby Dick has blond hair, wears white when he's on duty and tips the scales at a neat 260 pounds. So the name has stuck, being transplanted to WT by all the Odessa boys who play here. Brewer sustained an injury back in high school that kept him off the football team. "The student trainer that worked on my injury put me to work," Moby remembers. Moby is head student trainer for the Buffs now. He will make most of the road trips

with the boys. He is majoring in physical education and is minoring in government. He hopes to work with a pro team as a trainer when he gets out of college. Moby says some big strides have been made in technology in his field. He told about the stimulator, which provides an electrical impulse to exercise certain muscles in a specific area. He also told of ultra sonic sound and its use by the football squad of today. It aids in stimulating blood circulation around a certain area. "It's a good gadget," he declared.

Moby is 21 years old and is a sophomore this year. During the summer months he works with an oilfield trucking company. "I love my job with the team," Moby declared recently. "This is the best ball club I've ever worked with in my life. It's the finest bunch of boys and the greatest coaching staff and all."

When you're at an Eagle football game, give the team a boost by being on the field to greet them.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL5-2141, or stop by the News office on the west side of the square.

## Randall Folks Now May Enter Wool Contest

The American Wool Council is sponsoring its sixteenth annual "Make-It-Yourself With Wool" contest, and Randall County may send ten contestants.

This contest is growing in popularity all over the nation. It is open to girls and women 13 years and over, with four divisions:

1. Sub-debs (age 13-15) may make a skirt, jumper or a skirt and sleeveless top. (The blouse need not be wool.)
2. Juniors (age 14-17) may make separates (skirt and blouse as a complete wool outfit), dress, suit, or coat.
3. Seniors (age 18-21) may make separates, dress, suit or coat.
4. Adults (age 21 and over)

may make a dress, suit, or a coat.

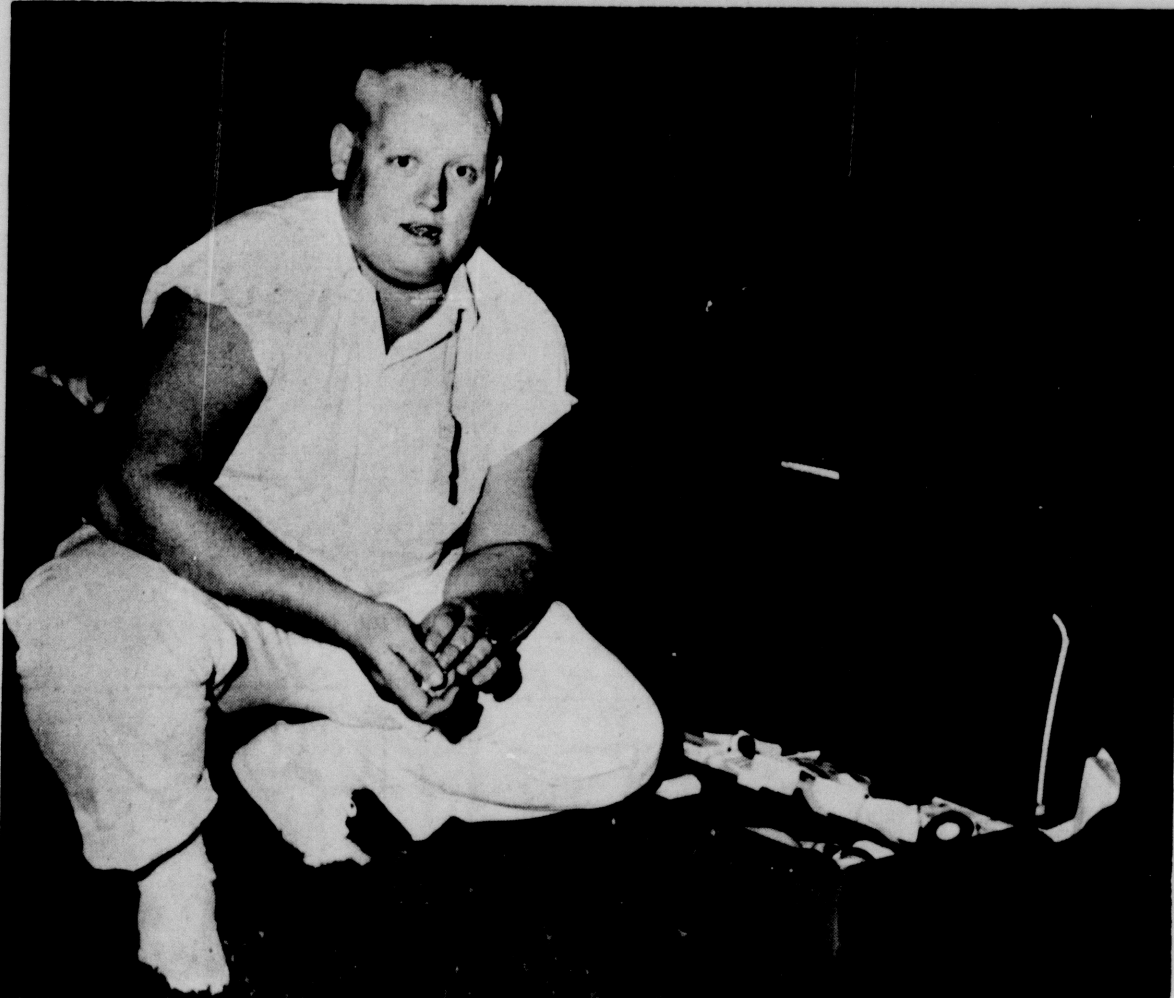

Adult competition in Texas ends at the State level. The District I contest will be held at Texas Tech on December 8. Entry blanks will be available at the extension office, and are due November 1.

Some of the rules are: garments must be entirely the work of the contestant; garments must be made of 100 per cent wool loomed in America including button holes, belts, and linings; interfacing, facings, and linings may be non-wool fabric; a commercial pattern must be used; and the garment must have been made since February 1, 1962.

This contest has vocational guidance value for those inter-

ested in a career in the fashion industry. All interested persons should contact the Randall County Home Demonstration Agent.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL5-2141, or stop by the News office on the west side of the square.

MOBY DICK (LES BREWER)

## County HD Schedules Workshop

A semi-tailoring workshop will be held October 8, 9, 11, and 12 in the Farm Bureau Building from 9 a.m. to 4 p.m. Instructed by Miss Sally Ann Fields, County Home Demonstration Agent.

The workshop will consist of sewing problems such as interfacing, linings, and the handling of different fabrics. Interested persons should select a pattern for a semi-tailored dress with a lined jacket, or a suit with a lined jacket. The fabric may be of cotton, silk, linen, wool, or any other fabric that tailors well. If sewing with wool, choose silk thread. Persons who plan to attend need to bring their own sewing machine and pressing equipment.

Before coming to the workshop, cut out the entire garment except the jacket inter-

by John Brazzil

## COUNTY AGENT'S COLUMN

The election to name County and Community Committeemen for the Randall County ASCS was held in September. Chairmen and members were named in the seven Randall County Communities. In Community "A", known as the Canyon Community Leonard Boehning was named Chairman. Clayton Devin in Fairview-Sunnyhill, W. T. Robinson in Jowell, Anton Hollenstein for Umbarger, Bill Wood for Bushland-Highland, Emil Olson in Trigg-Zita, and Harold Ladehoff in the Park-Stone Community.

The same three County Committeemen were named Chairmen to serve for another year.

facing or lining. Only work on the jacket will be done in the workshop.

Kenneth Erwin was named Chairman, Jack Frost Vice-Chairman, and John Plank, member. Forrest Gruner, first alternate and Newton Crain, second alternate.

\*\*\*

The Food and Agriculture Act of 1962 was passed by Congress on Sept. 24. The bill awaits the signature of the President to become law. The information that follows is not taken from the bill but comes from the Agriculture Committee report and may be considered to be reliable.

Wheat Program for 1963

1. If a farmer chooses to divert no wheat he can expect to receive a price support of about \$1.82 per bushel on allotted acres.
2. If a farmer chooses to divert a part of his assigned allotment:
  - a. He may divert not less than 20%, nor more than 50% of his allotment.
  - b. Compensation for these diverted acres will be figured on a payment to producers of \$1.82 per bushel for 50% of their normal production.
  - c. Producers who make the reduction will be entitled to a support price of \$2.00 per bushel on wheat grown. Of this \$2.00 per bushel 18 cents will be made in Payment-in-kind certificates.
3. Producers who agree to divert a specific acreage would lose price supports for 1963 if they failed to carry out agreement by diverting fewer acres.
4. Increases in penalties and changes in voting eligibility will not be made since the referendum has been held.
5. Crops which can be planted on diverted acres will be limited to a few named in the bill such as safflower, sesame, and other minor ones.
6. Producers will be required to take conservation measures on diverted acres. Other facts will be forthcoming.

\*\*\*

The Southwestern Animal Health Research Foundation is pressing forward in their efforts to eradicate the Screw-worm from the southwest. To date they have raised almost two million dollars. A large plant at Mission, Texas is now in operation to produce sterile flies. In the money raising efforts late last fall and winter many cattle owners did not have an opportunity to contribute to the eradication program.

The officers and directors hope to make this opportunity available to all cattle owners in the near future.

**YOU, YES YOU, are the most common cause of FIRES!**

Last year, in the United States alone, an estimated 2,000,000 fires resulted in losses estimated at \$1,541,000,000...not to mention a tragic loss of lives that can never be replaced! Incredible as it seems, most of these fires were caused by people like you...average citizens who wouldn't dream of starting a fire deliberately, but who just got careless. Neither you nor your country can afford this wasteful loss of lives and property--be sure you don't give fire a place to start!

# Palo Duro State Park Has Attendance Record

BY JIM THOMAS  
Ranger Buddy Hoskins, manager of Palo Duro Canyon State Park, 12 miles east of Canyon, said the summer season just passed was the biggest in the park's history.  
Hoskins said there were more than 81,900 visitors during June, July and August, the three peak visitor months for the colorful canyon park.  
He said this amounts to 19,000 more visitors than the park played host to during the comparable period in 1961.  
Hoskins was manager of Corpus Christi State Park down in the Rio Grande Valley for six years before he took over management of the Panhandle's prime tourist attraction. He said the move was an advancement for him.  
He added, "I like this country, its people and its climate."  
Hoskins has 10 years experience with the Texas State Parks Board. He was recently cited by Governor Daniel and the

Texas State Parks Board for his work at Corpus Christi State Park in aiding refugees from "CARLA," Texas' worst hurricane.  
Hoskins personally escorted Governor Daniel through the park during an official visit last March.  
When asked about recent improvements in the park, Hoskins tells about plans for the Texas Heritage Foundation Outdoor Amphitheater to be built in the park, just below the park entrance.  
He says it will be an asset to the park, to the City of Canyon and to the entire Panhandle area. "I'm eager to see some ground broken for the project," he added.  
Ranger Hoskins said that in the next five years there will be tremendous growth and improvement made in the park. Present camping area, picnic areas and restrooms will be added to and improved. Drinking water will be made available

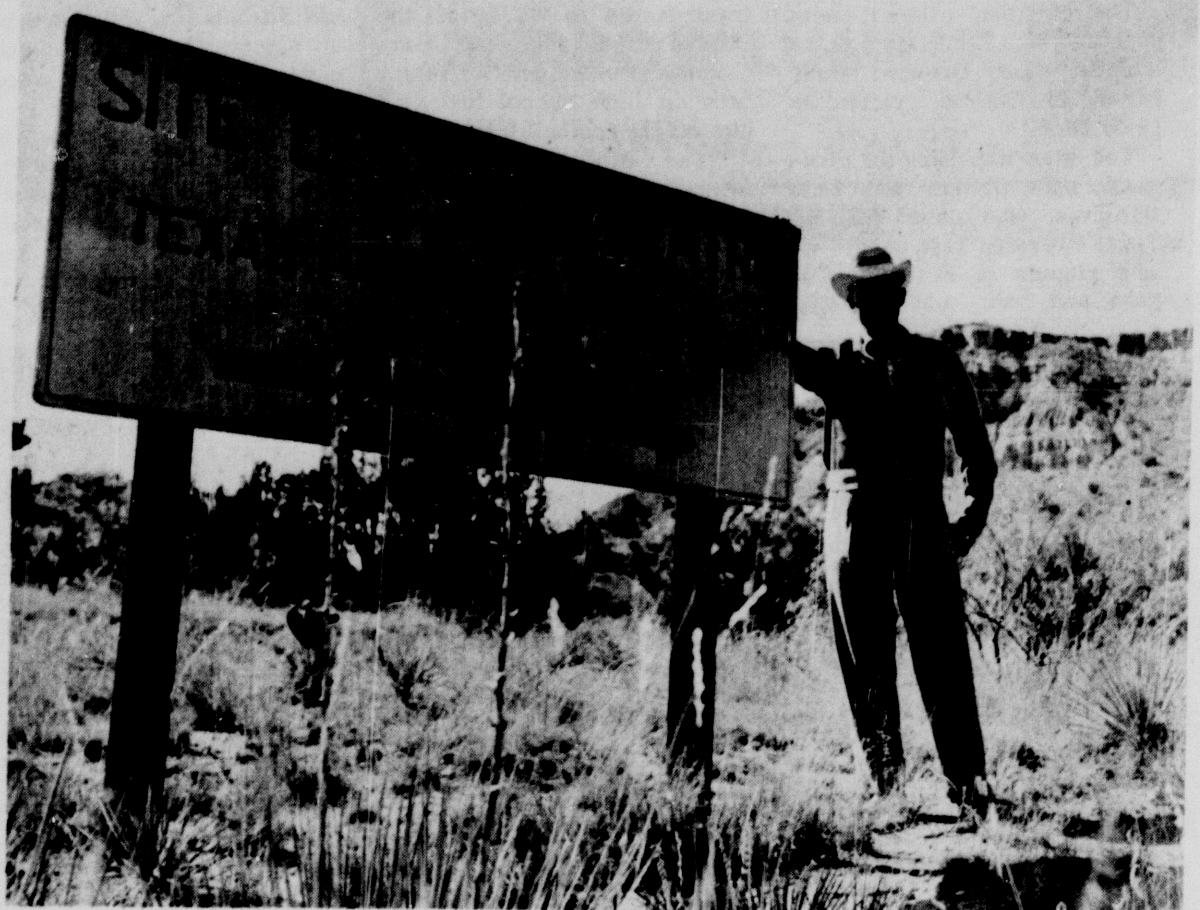

in the park's use areas.  
Hoskins said one project that will be done very soon is the improvement of horse-riding facilities in the park.  
"We are setting aside 500 acres in the park just to ride horses on. That's quite an area for horse riding," he added.  
He said horse trails leading to interesting places in the riding area will be built. The new plan will keep the campers and picnickers out of the horse area and the horses out of the camping and picnic areas.  
Further describing park improvements, Hoskins said the park entrance, roadways and parking areas are gradually being cleaned up and landscaped. Old barbed wire and concrete fences at the park entrance are being replaced with rustic wood pole fences.  
"For the convenience of park visitors who have gotten to the park ahead of friends, we now have a shaded shelter so the early birds can wait in comfort." Park buildings have been repainted a deep brown and flowers planted around many of the structures and roads.  
Hoskins said the coming winter will be devoted to renovating existing picnic and camping facilities in the park.  
"Roads will be graded and smoothed, picnic and camping tables refinished and cooking grills repaired or replaced," he said.  
"Campers and picnickers will be glad to know that park restrooms will receive new windows and screen doors to insect proof them," he added.  
When asked about park con-

cessions, Ranger Hoskins said he has high hopes for expansion of park concessions to keep up with growing visitation at the park.  
"We have a very capable and experienced man in Pete Cowart who owns and operates the concessions for the park," he said.  
Examples of the many concessions already in the park for the visitor's enjoyment are the new SKY-RIDE, a ski-lift transportation carrying visitors from the canyon floor to the rim of Timber Mesa, and the Palo Duro, Burlington and Sad Monkey Rail Road, a scenic, 20 minute ride up a side canyon with narration about the history and Geology of Palo Duro.  
In addition to the SKY-RIDE and the Sad Monkey Rail Road,

the park has a horse riding concession. Fifty head of horses are available for the more adventuresome park visitor who wants to see the many interesting parts of Palo Duro Canyon that can't be reached by road or walking.

To assist in the stepped-up improvement program for the park, Hoskins has hired three full-time employees. They are Neal King, Gate Attendant, E.J. Boehm, Construction and Maintenance Foreman and Bob Watson, Park Attendant.

Boehm was with Hoskins at Corpus Christi State Park and Watson was a deputy sheriff in Ochiltree County.  
Ranger - manager Hoskins says he usually hires two or three full time employees during the summer season to help serve the crowds. More than 81 thousand visitors and vacationists spent their spare time in the park during the last summer vacation.

Park manager, Buddy Hoskins looks over site of the new outdoor amphitheater in Palo Duro Canyon State Park.

## Three Hurt In Accident

Three WTSC students were injured Wednesday night of last week in a two-car collision at the intersection of 2nd and 23rd streets in Canyon.  
Injured were Martha Sue Bills, 18 of Breckenridge, Linden Ray Smith, 21 of Levelland, a passenger in Miss Bill's car and James Dale Scouten, 22 of Canyon.  
Investigating Police officers said Scouten was attempting to make a left turn off U.S. 87 onto 2nd Avenue when the two cars collided.  
Approximately \$1200 damage was done to the two cars, a 1956 and 1958 Ford sedans.  
Officer George Hinch said all three students were taken to Nebbett Hospital with multiple lacerations and injuries.  
Smith was placed on the critical list upon arrival at the hospital. His condition was improved Thursday morning.  
Miss Bills received lacerations and a broken rib. Scouten was released Wednesday night after treatment for head cuts and a broken finger.

District FTA Meeting Set For WT Campus  
The District Nine convention of the Future Teachers of America will be held at West Texas State College on November 6.  
Plans for the convention, the theme of which will be "Today's Teaching-Tomorrow's Heritage," were made last Saturday morning when the district officers met on the Canyon campus.  
Registration for the November 6 convention will begin at 8:45 A.M. in the Administration Building, beginning at 9:15 A.M.  
A highlight of the convention will be the selection of Mr. and Miss FTA, to succeed William Moore, Canyon, and Janine Coates, Amarillo, who presently hold these honors.  
The District Nine officers who planned the November 6th convention at Saturday's meeting, with the assistance of their adult sponsors, were Terry Milligan, Tulla, president; Johnlyn Mitchell, Pampa, vice-president; Diane Weber, Amarillo, Tascosa, recording secretary; Brenda Deaton, Friona, financial secretary; and Ona Beth Hood, Tulla, corresponding secretary.  
District Nine of the FTA embraces the 26 counties at the top of Texas.

## BEAUTY SHOPPING AT WTSC

Here's a pretty prospective secretary. She is Judy Duke, a 19-year-old secretarial science major from Amarillo. She transferred here from Amarillo College this fall and is a junior.

Judy enjoys bowling and dancing. Her favorite food is turkey and dressing. And, say, fellows, she's NOT engaged.

## Eckhardt, Cowart Speak For Heritage Foundation

Mrs. Edith Eckhardt, Executive Secretary of the Panhandle Heritage Foundation, and Mrs. Pete Cowart, wife of Pete Cowart, Concessionaire of Palo Duro Canyon, attended the annual convention of the National U.S. 66 Highway Association in Shamrock recently to interest delegates in tourist attractions in this area.

Guest speaker Will Rogers, Jr., who is honorary president of the association, spoke of the need in the future for the highway association to change its emphasis. "The change will have to be from on the road to what's off the road," he said. "Small towns will have to cooperate more, and there will have to be more promotional activity for the town as a unit."

Tom Taylor, Director of Travel and Information of the Texas Highway Dept., spoke at the luncheon meeting. "The extent of the growth will be in direct ratio to the promotional effort to get the tourists off the controlled access route and

into the community," he said. Referring to concern about the future of U.S. Highway 66, Mr. Taylor went on, "Today a potential of 6,000 vehicles a day travel U.S. 66. When the interstate system is completed there will be perhaps 20,000 or more."

"Whether you get your share of this increased potential will depend upon you, your association, and what you do in your community to induce the tourist to stop at your motels, restaurants and service stations." He urged his listeners to organize their promotional efforts around things to do and see in their individual localities.

"Travelers now-a-days plan their vacation trips carefully with the idea of seeking entertainment and seeing the country. And they see little of the country if they stay on the interstate."

Out-going president Joe McIntyre introduced Mesdames Eckhardt and Cowart, and cited the importance of the Texas

## Another Record Is Set By Cow Of Hales Herd

R Hales Chief Peggy 4820410, a two-year-old registered Holstein cow owned by Richmond Hales, Canyon, Texas, has completed an official 331-day record of 16,371 lbs. of milk and 582 lbs. of butterfat.

Texas A & M College supervised the weighing and testing of production as a part of the official breed improvement programs of The Holstein-Friesian Association of American.

In announcing the new record, a spokesman for the national Holstein organization said that it compared to the average cow's annual output of 7,211 lbs. of milk containing 270 lbs. of butterfat.

Panhandle Heritage Foundation project, the projected open-air theater in Palo Duro Canyon, as an example of what is needed to draw tourists off the highways.

New president of the National U.S. 66 Highway Association is Frank Hobgood of Amarillo.

## Cub Scouts Renovate House Into Cub Den

Take eight Lively and energetic Cub Scouts looking for a meeting place, add one empty house, and within a few weeks you will have a first-rate Scout House.

The boys in Den 5, Pack 97, wanted a place all their own where they could hold regular meetings. Their Den Mother, Mrs. Gene Morrison, supplied an empty house that she owns, and the boys went to work.

Starting in September, they cleaned the rooms, moved in equipment, and turned the house into a real Scout Hall, complete with kitchen.

A flag pole was erected in front of the house and the boys having learned the correct procedure for flag ceremonies, raise and lower the flag at each meeting.

During the month of September, the Cub theme was 2000 A.D. The boys studied space, had craft work carrying out the space theme, and attended a space exhibit in Amarillo.

Members of the Den are Randy Lyles, Mark Lawless, Larry Prichard, Gene Vaughn Morrison, Neal Knighton, Bill Long, Kenny Angel, Kenny Stevenson, and Mike Wilson, Den Chief.

## Wayside News

Rev. James Trang filled the Baptist pulpit at Wayside recently.

Mr. and Mrs. Eddie Mahler visited Mr. Mahler's sister recently.

Louise Heisler visited Charlotte Adams last Monday afternoon.

Stanley Gillham visited Hildred Adams last week.

Mrs. Henry Schrib has been visiting her mother.

Mrs. Leroy Thomas has been in the hospital. Her condition is reported as improved.

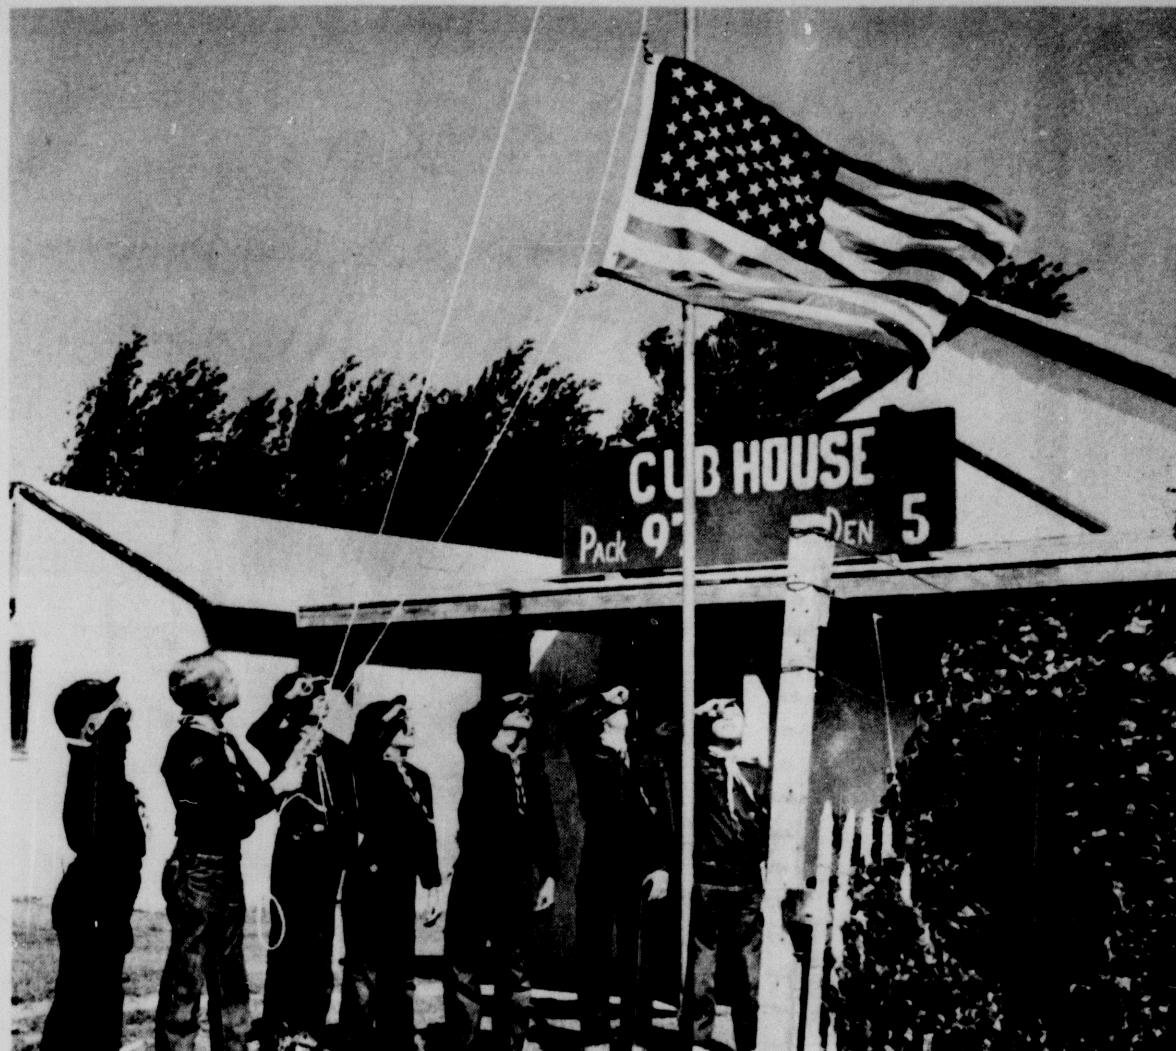

It rained here last week.

Mrs. Roy has been seriously ill. Her condition is described as improved now.

sponsored by the First Methodist Church.

Also discussed at the meeting was a T'Man's Conference for trainers which will be conducted at Camp Don Harrington by the Council Leadership Training Committee.

This conference will outline plans for bringing training to all the Unit Leaders.

Proudly raising the flag at their new club house are from left Randy Lisle, Gene Vaughn Morrison, Kenny Stevenson, Mark Loveless, Kenneth Angel, Neal Knighton and Larry Prichard.

Bill Long was not present for the picture. Mrs. Gene Morrison is den mother and Mike Wilson is den chief. They are members of Cub Scout Den 5, Pack 97.

By Jamie Martin

## AROUND THE TOWN (With Kids)

Den 5 and Pack 97 have what they call a Cub House. The house they are using used to be a rent house. In it they have 2 meeting rooms in which they practice their Cub Scout plays. They also do advancement work for scouting. They keep games and other things in their meeting rooms, too. They, of course, have a bathroom and a complete kitchen with a stove, refrigerator, and cabinets. They have furnished

the front meeting room with chairs and all they need now is a television. They even have the television aerial up.

The fourth grade presidents at the Elementary School are: Mrs. Brasher; Gene Morrison Mrs. Holt; Kelly Tinsley.

Kids remember the Sabine polio vaccine. Randall County is distributing it Sunday.

## James Owens In Spanish Water

ROTA, Spain (FHTNC)—Navy Lieutenant junior grade James F. Owens, son of Mr. and Mrs. L.H. Owens of 404 Holman Lane, is serving with Patrol Squadron 16, which arrived in Rota Spain, early in September.

The squadron will be responsible for shipping surveillance, search and rescue and anti-submarine warfare operations.

RIDDLE What is as big as an elephant but does not weigh an ounce?

Answer to last week's riddle: When they made Plymouth Rock.

# WT Cowpokes Lay Plans For Big Rodeo Season

BY JIM THOMAS

T-Anchor Rodeo Club of West Texas State College Wednesday night held its first regular meeting of the 1962-63 school season.

The meeting was held in the Agriculture School Building. The T-Anchor calf-ropers and bull-doggers elected officers and set their club dues at \$5.00 per year. Much of the meeting was spent in discussing plans for the coming rodeo season.

Darrell Williams, senior biology student from Crosbyton and brother of Harold Williams, associate instructor of agriculture at WT, was elected Club President.

Red Doyle was made vice-president, Kay Settle, secretary, and Kay Boissard, treasurer.

Williams, the newly elected prexy, said in the past there have been two West Texas College Rodeos every year: the Fall intra-murals and the Spring inter-collegiate.

"The fall intra-murals show is strictly a competition between the fraternities, sororities and independent groups on campus," he said.

Although the fall rodeo is usually held the week of homecoming, Williams said the T-Anchor Club discussed having the fall event the week end following WT homecoming. He said the final date will be announced later.

Williams said the spring inter-collegiate rodeo is usually held during late April or early May. He said the WT ropers annually take on such name teams as Texas Tech, Sul Ross, Hardin-Simmons, Southern Plains and New Mexico State College.

He added, "The West Texas rodeo team will take on any college in its Southwestern Region who is a member of the inter-collegiate national rodeo association and who wants to send a rodeo team to WT's spring inter-collegiate Rodeo."

Williams said club plans for the coming year are for two rodeos, several rodeo dances and picnics as well as other fund raising events.

He said the main expense in putting on a collegiate rodeo season was taken care of in 1959 when the Randall County Sheriff's Posse donated materials to the T-Anchor club for the rodeo arena. The T-Anchors supplied the muscle power to erect it.

Williams said funds raised during the year by the T-Anchors goes toward paying expenses of putting on rodeos and for trophies awarded rodeo winners.

He added the most expensive part of the rodeo is rental cost on stock used during the show.

Williams said the club usually advertises for bids to rodeo stock suppliers. He said Walter Alsbaugh of Alamosa, Colorado has had the T-Anchor contract for the past six years.

The club hasn't decided yet who they will get to supply their rodeo stock for the coming year, although they will probably take bids this year as in the past, he said.

Williams was elected arena director for the intra-murals rodeo. This requires him to organize the show as well as run it.

He says though, he will take part in the events of the inter-collegiate show. His specialty is bull-dogging.

Club President Williams said another member of T-Anchors who is expected to participate in coming rodeos is Harry Miller, calf-roper.

Red Doyle, the new vice-president, who is a featured bare-back rider and bull-rider with the WT ropers, was one of the top 10 bull riders in last summer's local amateur rodeo competitions, said Williams.

Bobby Stevens, another member of the club, will be featured as calf-roper for the group in its intra-murals and possibly in inter-collegiate competitions next spring.

Head roper Williams adds that in addition to the rough and tumble events reserved for the male riders of T-Anchor, the girls events will be packed with fun and excitement for the spectators and participants alike.

Women's events to be included in coming rodeos will be barrel-racing, goat-sacking and goat tying.

Williams said that points earned by various campus organizations during the Intra-mural Rodeo will count toward the over-all Intra-murals championships.

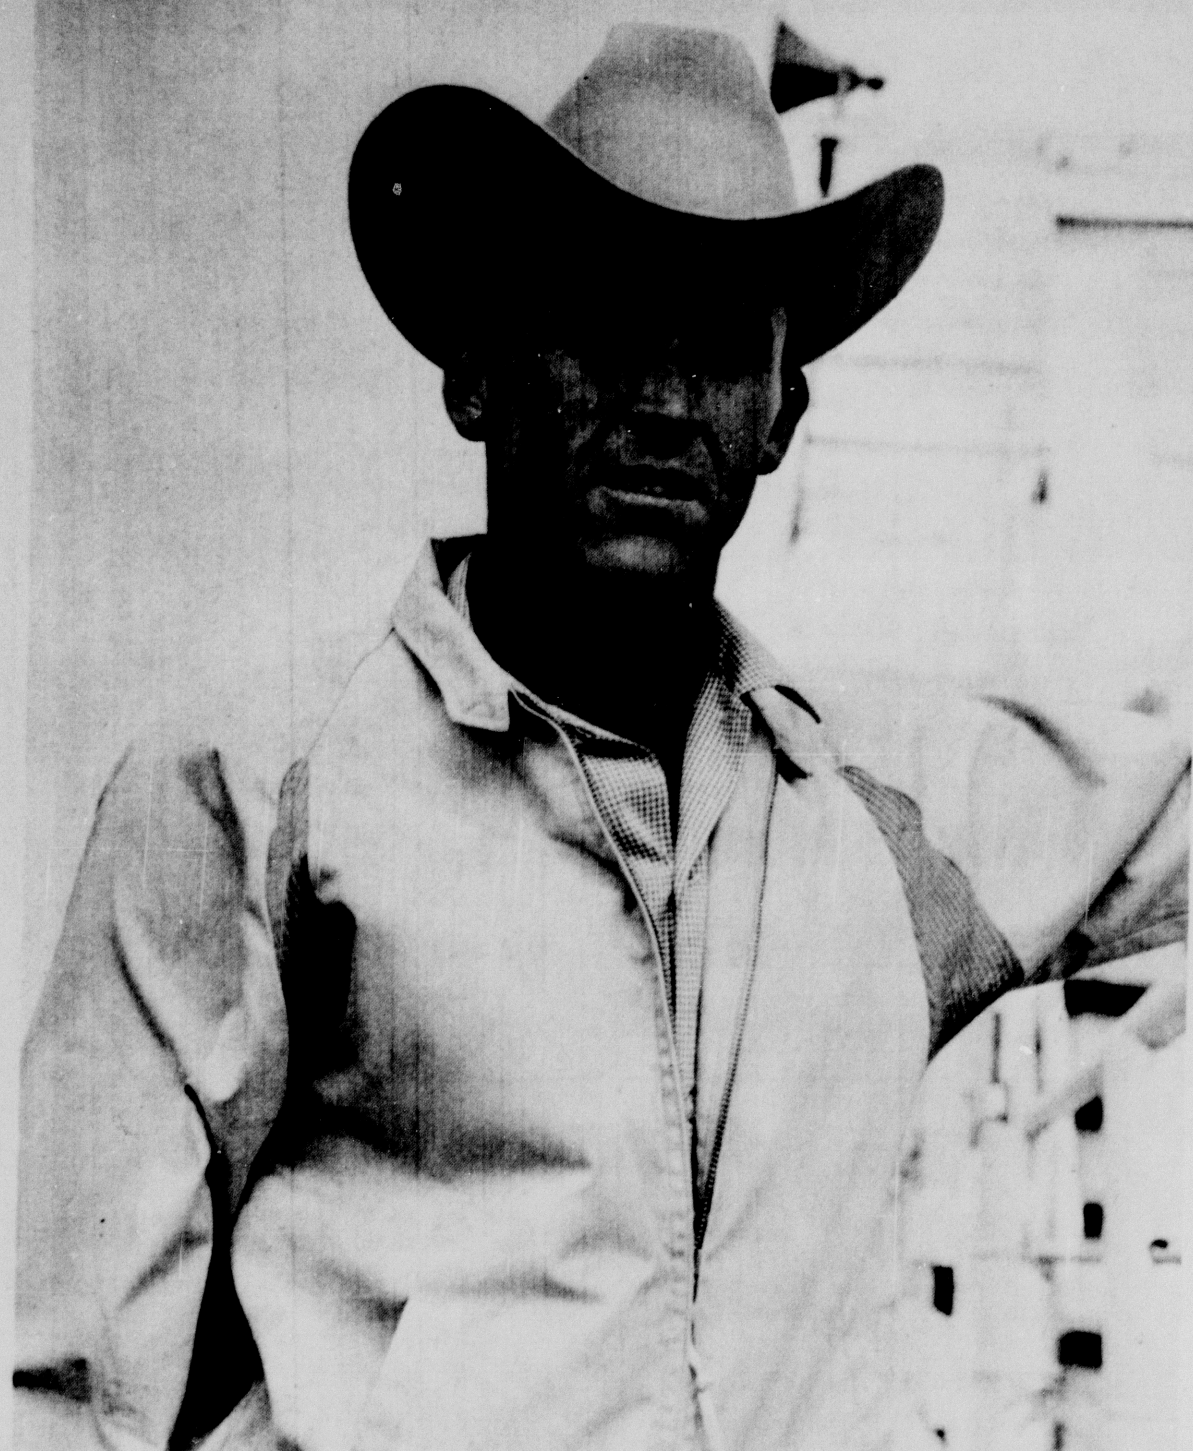

He added the T-Anchors are considering working up a bull-dogging event as an added attraction for the intra-murals rodeo show.

The coming West Texas rodeo season promises fun for all concerned, he said.

## Canyon Woman Chairman

The Federated Insurance Women of Texas will hold its 18th annual convention October 4, 5, 6, and 7 in the Holiday Vic Mon Motor Hotel in Amarillo.

Mrs. Jeanne Louder of Canyon, general convention chairman, has announced that the slogan for the convention is "The Triple I: Intelligence, Integrity, Indemnity." The slogan for the Federation is "Federation for Education."

The three main speakers for the convention are from the insurance field. They are Mr. John Boyce, Jr. of the Williams Boyce Insurance Agency of Amarillo, Dr. Joseph Trosper of the State Board of Insurance, and Mr. William J. Harding, executive secretary of the Dallas Association of Insurance Agents.

Mr. D.E. Scott of Wellington will be guest speaker at the installation banquet on Saturday night, and Cal Farley of Boys' Ranch will speak at one of the business meetings.

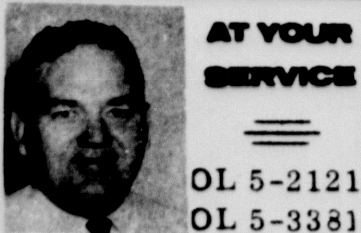

Representatives from 20 of the 28 clubs belonging to the Federation are expected to attend the convention. Mrs. Wanda J. Dannelly of Dallas is president of the Federation.

## Name Delegates To State Meet

Delegates will be named this week to represent Randall County Farm Bureau at the state convention to be held Nov. 12 in San Antonio.

Selection will be made at a board of directors meeting of the county group to be held at 8 o'clock Thursday night in the Farm Bureau building.

The group also will hear a report by the resolutions committee.

## Kiwanis Club Hears Wright

Dr. J.H. Wright was guest speaker at the noon meeting of the Canyon Kiwanis Club last Friday.

Topic of the speech was his recent trip to Africa.

Dr. Wright is a former Canyonite, and is now an evangelist for the First Baptist Church in Grand Prairie.

## Today—Wide-Track Pontiac '63

Obvious, isn't it, that Pontiac's come up with another beauty this year. Fresh over-and-under headlights, clean profile—but you can see that. There's a wider Wide-Track,

too, and a full line of Trophy V-8's. [That ought to be enough to make those other cars turn green.] And we haven't mentioned such happy touches as self-adjusting

brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? A small suggestion. Don't run down to see one. Gallop! **Wide-Track Pontiac**
